Introduction: This report covers the period 02/09/2024 – 01/09/2025

During this period the charity executed its first significant purchasing activity, buying a Stampfli high performance single scull to support students in their preparation for international and domestic competition. The charity also made a donation to Love Rowing, the British Rowing charity which aims to transform lives through rowing by funding accessible and inclusive programs for under-represented communities, including young people from low-income backgrounds and individuals with disabilities. A smaller contribution was also made to the SHSBC parent group, Blades, as part of their fundraising to purchase training equipment, now gratefully received by the Boat Club.

An attempt on the 100km world record was made by SHSBC Coach Dylan Mitchell: though he narrowly missed the required time to break the record he did raise via sponsorship a significant sum for the charity to further support rowing at SHS.
