School Partnerships Alliance
Trustees Annual Report
for the year ended 31st August 2024

The Trustees present their report and the financial statements of the charity for the year ended 31st August 2024. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" in preparing the annual report and financial statements of the charity.

Trustees of the charity

The Trustees who have served during the year and since the period end were as follows:

T J M Arbuthnott
S E Butterworth
J Dhesi
S K Lester (appointed 7th December 2023)
N A Mattin
J L Robinson
N L Winkley

Objectives and activities

The objects of the CIO are, for the public benefit, to advance education, in particular but not exclusively, by developing school partnerships to develop the educational, social and employment capacities, capabilities and opportunities of children and young people, including without limitation disadvantaged children and young people and to improve their conditions of life.

During this reporting period, S.P.A. has focused on building membership, developing research papers, running events and conferences, establishing its strategic and operational priorities, and building the capacity of its operational team. It established six core principles to work to:

Empower	To give partnership work the profile it deserves through a dedicated membership-led charity To recognise and celebrate that schools in both sectors have much to give and things to learn
Research	To provide a structured and research-led approach to understanding the benefits of cross-sector partnership
Train	To offer training, development and networking opportunities for partnership leads
Innovate	To develop, share and trial new approaches that will allow more schools and young people to benefit
Lobby	To develop positive and effective relationships with the DfE and other bodies and organisations to support partnership work going on across the schools sector
Develop	To ensure that all schools, regardless of location, type and size, have a route into partnership working To reduce duplication and focus on opportunities that can be scaled

Trustees agreed that S.P.A. should equip partnership leads with a common language and framework that will help schools at every stage of partnership engagement and development, and it is on this basis that plans for a school membership offer are now in place which will focus on practical support, peer to peer exchange, development opportunities and training courses. In addition, S.P.A. has created an Innovation Hub, which brings practitioners and experts from across the country together to tackle shared partnership issues, and create shared solutions.

School Partnerships Alliance

Trustees Annual Report (continued) for the year ended 31st August 2024

Public benefit statement

The Trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties.

Achievements and performance

During this time key milestones included:

Month	Key milestones
September 2023	Appointment of new CEO
October 2023	Attendance at HMC Conference Attendance at OPEN Learning Partnership STEM project Champions Meeting S.P.A Meet-Up - South CPD session
November 2023	Inaugural annual conference at Sevenoaks schools Keynote address at the Independent Schools Conference ASCL Powerful Partnerships Webinar Executive team visit to KCS, Wimbledon Address at the ICE conference Webinar on Innovation and Creativity
December 2023	Civitas Evidence Session: Commission on the Future for Independent Schools
January 2024	Presentation at GDST's Celebration of Partnerships Conference Joins HMC's Public Benefit and Partnerships Committee Webinar on TPI-SPA partnering tools
February 2024	Presentation at the IDPE Partnerships and Bursaries Conference HMC Public Benefit Partnership Committee New to Partnerships CPD Impact Evaluation Webinar Executive School Visits Innovation Hub 2 launched
March 2024	Executive School Visits Champions Roundtable
April 2024	Innovation Hub Development Launch of State School Forum Partnerships in Action visit SPE conference

June 2024	S.P.A. Meet Up - North Innovation Hub Meeting Deep Dive Round Table New Champions Joined Speaking at ASCL IDPE webinar Champion Schools Round Table S.P.A./IDPE Webinar CLSG Leadership Day Partnership Event SPA at Latymer Upper celebration of partnerships
August 2024	Membership grew to 250 members

School Partnerships Alliance

Trustees Annual Report (continued) for the year ended 31st August 2024

Financial review (including reserves policy)

The results for the year are shown on page 6, which show a surplus of £17,900 (2023: deficit of £38,634) for the year. As at 31st August 2024 the charity had net assets of £62,295 including cash at bank held of £61,283.

The Trustees intend to hold sufficient general reserves to support between 2-3 months of core operating costs at each year end, which is currently estimated to be circa £20,000 to £30,000. Free reserves held at 31st August 2024 were c£61,000, which is deemed to be in line with this policy particularly given that the charity is in its formative years.

Structure, governance and management

The organisation became a Charitable Incorporated Organisation ('CIO') with registered number 1196215 on 20th October 2021, and it is governed by its constitution adopted at that date.

The Trustees meet a minimum of four times a year as a Board, with the Chief Executive of the organisation in attendance.

A Finance and Resources Committee (incorporating responsibility for Audit and Risk) and a Nominations and Successions Committee have been established, which meet in between Trustee meetings, with any recommendations discussed and approved at a full Trustee meeting.

Trustee meetings are held in person and online.

Management

The Trustees consider that the Chief Executive, supported by a small team, manages all aspects of the organisation's activities. The CEO leads on development of the organisational strategy and plans, with the Trustee board providing input, sign off, oversight, governance and accountability.

All Trustees give their time freely and no Trustee remuneration was paid in the year.

Trustees and the Chief Executive are required to disclose all relevant interests, and in accordance with the CIO's policy withdraw from decisions where a conflict of interest arises.

Board Development

Induction of new Trustees includes meetings with the Chair and Chief Executive to clarify the CIO's expectations of a new Trustee as well as their specific role. They are provided with copies of Charity Commission guidance for new Trustees together with the CIO Constitution, most recent Financial Statements and a copy of its policies. They also sign a Trustee Declaration which encompasses a Code of Conduct and receive further orientation relevant to their role within the larger Board.

Independent Examiner's Report to the Trustees of School Partnerships Alliance

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31st August 2024 which are set out on pages 6 to 13.

Responsibilities and basis of report

As the charity's Trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The notes on pages 8 to 13 form part of these financial statements

School Partnerships Alliance
Notes to the Financial Statements
for the year ended 31st August 2024

1. Summary of significant accounting policies

(a) General information and basis of preparation

School Partnerships Alliance is a Charitable Incorporated Organisation in England and Wales. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are detailed in the Trustees' Report.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

(b) Funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

(c) Income recognition

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity is legally entitled to the income after any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Donated facilities and donated professional services are recognised in income at their fair value when their economic benefit is probable, it can be measured reliably and the charity has control over the item. Fair value is determined on the basis of the gift to the charity. For example, the amount the charity would be willing to pay in the open market for such facilities and services. A corresponding amount is recognised in expenditure.

No amount is included in the financial statements for volunteer time in line with the SORP. Further detail is given in the Trustees' Annual Report.

School Partnerships Alliance

Notes to the Financial Statements (continued) for the year ended 31st August 2024

1. Summary of significant accounting policies (continued)

(d) Expenditure recognition

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as an expense against the activity for which expenditure arose.

(e) Support costs allocation

Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs, administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity and include project management carried out at Headquarters. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources. The analysis of these costs is included in note 5.

(f) Tangible fixed assets

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Computer Equipment – 25% straight line

(g) Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

(h) Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit and loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

(i) Provisions

Provisions are recognised when the charity has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

(j) Leases

Rentals payable and receivable under operating leases are charged to the SoFA on a straight line basis over the period of the lease.

School Partnerships Alliance

Notes to the Financial Statements (continued) for the year ended 31st August 2024

1. Summary of significant accounting policies (continued)

(k) Employee benefits

When employees have rendered service to the charity, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

The charity operates a defined contribution plan for the benefit of its employees. Contributions are expensed as they become payable.

(l) Tax

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

(m) Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

2. Charitable activities
