LAWRENCE SHERIFF ALMSHOUSES

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 MARCH 2025

The trustees present their annual report and financial statements for the year ended 31 March 2025.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102 1A)" (effective 1 January 2019).

Objectives and activities

The object of the charity is the provision of charitable social housing in the form of Almshouses accommodation for aged men in the Borough of Rugby, who have resided in the borough for not less than ten years before the time of the appointment, and who are in need of such accommodation due to financial hardship or limited financial resources.

The trustees may in exceptional circumstances appoint a resident who lives outside the Borough of Rugby who is otherwise qualified. The trustees must record the exceptional circumstances in the minutes. The number of residents appointed under this sub-clause must not exceed one third of the number of residents at any one time.

The charity aims to benefit the public by providing safe and secure accommodation for individuals who would otherwise fall through the housing net due to the lack of affordable rented accommodation that suits their needs.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

The charity has achieved its objectives in the year.

This charity (1196238) was incorporated in October 2021 as a result of the transfer from the unincorporated charity Lawrence Sheriff Almshouses (charity number 213288).

The charity commenced construction and remodelling of the site in January 2024 which continued throughout this financial year. Phases 1 and 2 covering nine of the bungalows were completed by February 2025 and fully occupied by previous and new residents. Phase 3 to remodel the final two bungalows along with some upgrades to the warden's house were underway by the end of March 2025 and expected to complete in July 2025.

We wish to place on record our thanks to our chosen contractor, Batchelors Builders from Rugby, for keeping the programme on time and to budget as well as being very helpful as issues have arisen. We would also like to place on record our thanks to architect Jeff Scoffham who has supported us during this remodelling project.

The trustees have also secured enough funding to allow a new build of four units which will be delivered during 2026, followed by landscaping and security improvements. Warwickshire County Council has awarded the Almshouses a section 106 grant towards the new build. This part of the project is planned for a September 2025 start taking between six and eight months to complete, followed by landscaping.

The trustees again wish to acknowledge and thank funders along with the Charity Bank, Almshouse Association and the work of the Superintendent in supervising the properties and assisting the almsmen during what have been challenging times.

LAWRENCE SHERIFF ALMSHOUSES

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

Financial review

Normal income and expenditure for the year was £29,000 and £19,000, respectively, giving a surplus on ordinary activity of £10,000. Income in the first half of the year continued at the low level experienced in the previous year whilst the first two phases of the development project were carried out. Upon completion, these nine bungalows were soon occupied by a combination of existing and new residents thus increasing income for the final three months of the year.

Funds received for the development project were £896,000 in the year; in addition to grants received from Homes England, Rugby Borough Council, Charity Bank and Almshouses Association, donations from Rugby School and Baron Davenports, loans from Charity Bank totalling £273,000 were drawn down from a previously approved facility. Expenditure during the year totalled £761,000 being mostly for the main contractor, Batchelors Builders, along with architects' fees, loan interest costs and various other ad hoc professional fees.

The combined result for the year for all activities was therefore a surplus of £4,000 with a closing bank position of £196,000; the balance is high due to timing of receipts and usual lag in supplier invoices being received, processed and paid. A detailed cash forecast continues to be followed and regularly reviewed to ensure the project costs are covered by a combination of approved grants, donations and loans.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three- and six months' expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

Structure, governance and management

The charity is controlled by its governing document (dated 22/10/2021)

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

S Roodhouse

AE Gillias

S Beament

J Roodhouse

M Denness

T Willis

L Fairbanks

(Appointed 1 July 2024)

There should be six nominated trustees and three co-opted trustees. The appointing bodies, the Governors of Rugby School and Rugby Borough Council, may each appoint three trustees. The other three trustees are co-opted. However, the charity is currently being run with seven trustees. There are two vacancies to fill the remaining positions.

The appointment is covered in the constitution paragraph 10 and the trustees follow guidance from the Almshouse Association. The trustees have powers to co-op. This is done by application and a meeting of the trustees.

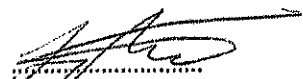

Potential trustees are given an expectation of the responsibilities required and they can meet existing trustees to discuss the role and also visit the Almshouses.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

LAWRENCE SHERIFF ALMSHOUSES

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF LAWRENCE SHERIFF ALMSHOUSES

I report to the trustees on my examination of the financial statements of Lawrence Sheriff Almshouses (the charity) for the year ended 31 March 2025.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law), you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006.

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the Companies Act 2006 and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011. In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the Charities Act 2011.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the Companies Act 2006;
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the Companies Act 2006 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102 1A).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The company is entitled to the exemption from the audit requirement contained in section 477 of the Companies Act 2006, for the year ended 31 March 2025.

The directors acknowledge their responsibilities for complying with the requirements of the Companies Act 2006 with respect to accounting records and the preparation of financial statements.

The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies regime.

The financial statements were approved by the trustees on 11/9/25

LAWRENCE SHERIFF ALMSHOUSES

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

Charity information

Lawrence Sheriff Almshouses is a charitable Incorporated organisation.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006, FRS 102 1A "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102 1A") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102 1A)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102 1A.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charity.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

LAWRENCE SHERIFF ALMSHOUSES

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)

FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

(Continued)

1.5 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives.

Freehold land is not depreciated.

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.8 Borrowing costs related to fixed assets

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in net income/(expenditure) in the period in which they are incurred.

1.9 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.10 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

LAWRENCE SHERIFF ALMSHOUSES

NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

(Continued)

1.11 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 1A to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.

2 Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
