Recruitment and appointment of trustees:

The members of the General Trustee Board are trustees for the purposes of charity law. New trustees may be appointed by resolution of a meeting of the trustees.

Much of the charity's work focuses upon the promotion of the Christian religion and the running and maintenance of its places of worship.

The General Trustee Board seeks to ensure that the needs of this group are appropriately reflected through the diversity of the trustee body. To enhance the potential pool of trustees, the charity has, through selective advertising and networking with voluntary organizations active in the sector, sought to identify those who would be willing to become members of the charity and use their own experience to assist the charity.

Risk Management:

We are committed to a policy of identifying, monitoring and managing the risks that might adversely affect the activities in which we are involved. In this context, risk is defined as the potential to fail to achieve charity objectives and for loss, financial and reputational, inherent in the environment in which we operate in the nature of the transactions undertaken.

The principle risk of the charity has been its dependence on voluntary income. Trustees have initiated various processes to mitigate such risk, so that the charity has sufficient reserve in the event of adverse condition(s).

The trustees have also examined other operational and business risks which they face and confirm that they have taken steps to mitigate the significant risks.

Statement of Board of Trustees' responsibilities

The Board of Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Charity law applicable to charities in England/Wales requires the Board of Trustees to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the Charity and of the surplus or deficit of the Charity for that period. In preparing those financial statements the Board of Trustees have:

- ☐ Selected suitable accounting policies and applied them consistently,
- ☐ Made judgments and estimates that are reasonable and prudent,
- ☐ Stated whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- ☐ Prepared the financial statements on a going concern basis (unless it is inappropriate to presume that the Charity will continue in operation).

The Board of Trustees has overall responsibility for ensuring that the Charity has an appropriate system of controls, financial and otherwise. They are also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the detection and prevention of fraud and other irregularities.
