- its activities and objectives in the year

In 2025 open ended design took a pause on major activities due to a re-set in content and partnerships strategy

We continued to maintain our website, social media and community-building work, with a view to re-setting our partnership activities with the London Design Festival and our talks program online from 2026

- its achievements and performance, including reporting on its public benefit

Maintaining content and existing community and collaborations (including conversations, artistic collaboration and digital research) in the space of creative technology, inclusive technology and design

Same applies to partnering with not-for-profits including London Design Festival and Central Saint Martins, to be kicked off March 2026
