## Section C Objectives and activities

**Summary of the objects of the charity set out in its governing document**

To promote the relief of sickness and the preservation of health among people living in Yemen and in the UK. For Yemenis in Yemen people suffer from mental or physical illness as a result of war in Yemen or in need of rehabilitation as a result of such illness.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Organised three online workshops between 2021 and 2023 for the Yemeni and Arab community in Britain on diet, illness, and the fasting during the month of Ramadan. We also organised another online workshop on cancer.

In partnership with [Peoples Praxis https](https://www.peoplespraxis.org/), and the [Yemen SIG](https://www.yemen-sig.org/), Faculty of Public Health, we are developing an online mentoring programme called Yemen Public Health Praxis. This is offered for Yemeni candidates who have done their public health studies and seeking further advice on developing their couriers. This online mentoring programme is for anyone from the Low Middle Income Countries (LMIC). It's an ongoing project.

We conducted an online dental public health review in Yemen and we're in the process of finalising this project.

Two of our trustees produced two short reports. One was on the deteriorating health in Maqbana, Taiz, Yemen. The other one was a snapshot of the health situation in the divided city of Taiz as a result of the war.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

All the work we do is by the trustees of HPY-UK and individual partners in Yemen and abroad, e.g. the dental literature review was a collaborative work with individuals in Yemen and outside Yemen.
