Banker:

Unity Bank

COAST CARE TRUST
TRUSTEES' REPORT FOR THE YEAR ENDED 31 October 2022

OBJECTS OF THE CHARITY

The purpose of The Coast Care Trust is to support Coast Care which is run by the Northumberland Coast Area of Outstanding Natural Beauty to benefit the Northumberland Coast and the people who live, work and visit. Activities carried out by Coast Care consist of the following:

- 1 Wildlife and habitat conservation activities
- 2 Beach Cleaning
- 3 Dealing with invasive and non-native species
- 4 Plant and wildlife monitoring and recording
- 5 Improving access to the coast.

STRUCTURE GOVERNANCE & MANAGEMENT

This is the first year of the charity.

The charity is administered by the board of trustees who operate in line with the constitution.

The charity does not employ any staff.

The trustees have referred to the guidance in the Charity Commission's general guidance on public benefit, when reviewing the aims and objectives and in planning its activities. The charitable objectives above provide a clear and demonstrable public benefit.

FINANCIAL REPORT

The results for the year show a surplus of £2,978 which is retained in our bank account.

We raised £3,842 from donations, from services - through volunteers making bird boxes - and corporate work days.

Of this, £864 was used to purchase tools for the Coast Care team, on Barn Owl box installation and monitoring, on thank you events for the approximately 100 Coast care volunteers and a public demonstration event at a sustainability fair.

RISKS AND RESERVE LEVELS

The Trust has very limited risks, as one of its principles is only to assist in activities that it can afford to pay from current assets.

If the Trust can not afford to pay from current funds it will not commit to the activity until the funds have been raised.

In addition, the Trust only exists to raise money to support Coast Care and does not undertake other activities.

It maintains a small level of reserves the amount of which will depend on the timing of suitable Coast Care activities. These are held in a low risk current account.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The charity's trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

COAST CARE TRUST: Financial statements

Receipts and Payments for the year ended 31 October 2022:

Income
