## MESSAGE FROM TRUSTEE

Alhamdulillah, with the mercy of Allah and the unwavering generosity of our supporters, Seeds of Sadaqah has been able to deliver another year of meaningful impact for families in Bangladesh.

This past year, our projects have touched the lives of over 80,000 people. We have provided secure shelters for families who once lived in fear, installed tubewells and mega wells to bring safe water to entire communities, and built mosques that now stand as centers of faith, learning, and unity. During the blessed months of Ramadan and Eid, thousands of families received food packets and Eid gifts, ensuring no child was left behind in celebration. Our wedding support programme gave orphan girls the dignity of a new beginning, while our Qurbani distribution and flood relief efforts brought much-needed comfort to those in crisis.

Behind each number is a story of resilience and transformation. Families like that of Ruzina Begum, who now rest safely under the roof of their new home, remind us that our work is not just about projects, but about restoring hope and dignity.

As trustees, we are humbled by the continued trust of our donors, volunteers, and partners. Together, we are building not just wells and homes, but a legacy of compassion that will serve generations to come.

Looking forward, our mission remains steadfast: to expand our reach, to serve those most in need, and to ensure that every act of kindness grows into lasting change. We pray that Allah accepts these efforts from us all and allows us to continue sowing seeds of sadaqah across the world.

With gratitude,

**Mohammed Asab Uddin**  
**Chair of Trustees**

# ABOUT US

Seeds of Sadaqah (SOS) is a UK-registered non-profit charity dedicated to planting seeds of lasting change through the power of Sadaqah Jariyah – ongoing charity that continues to benefit lives long after it is given.

Established to serve both local and global communities, SOS focuses on poverty relief, access to education, emergency response, and the advancement of faith. Whether it's rebuilding a life after crisis, supporting education for the next generation, or helping to construct a mosque in a remote village, our aim is to deliver real impact with transparency, compassion, and sustainability at its heart.

We work closely with trusted partners on the ground to ensure aid reaches those in genuine need – in some of the most hard-to-reach and underserved regions of the world. Our operations span both the UK and internationally, particularly in Bangladesh, where our projects support orphans, widows, the elderly, and families living in extreme hardship.

Seeds of Sadaqah is more than just a charity – it's a movement. A movement to restore dignity, create opportunity, and give people the chance to live better lives through collective giving. We believe that small, sincere acts of kindness can leave a legacy that lasts beyond a lifetime. With every donation, we're not just responding to today's needs – we're planting seeds for a brighter, more hopeful tomorrow.

# Shelter Program

# SUCCESS STORY

When Ruzina Begum first stepped into her new brick home, she closed her eyes and whispered, “At last, my children are safe.” For years, every storm brought fear rain pouring through the broken roof, children shivering through sleepless nights, schoolbooks ruined by dampness. She carried the burden alone, working as a housemaid to feed her sons and daughter, while silently worrying about the crumbling walls around them. That chapter has now changed. Where once stood a fragile shelter of fear, now rises a strong home filled with safety and hope. The sound of rain no longer means panic—it means comfort, a dry roof overhead, and laughter echoing through secure walls. Ruzina’s children finally have a place where they can dream without fear. “This house is more than bricks,” she says softly, watching her children study under a safe roof, “it is a promise of a better tomorrow. “Thanks to the compassion of Seeds of Sadaqah, Ruzina’s family now has dignity, stability, and the foundation to rebuild their lives with courage and hope.

**Mst. Ruzina Begum**

# Tubewell & Deep Well Program

Thanks to the generous support of donors, **Seeds of Sadaqah's** Tubewell Program has changed the lives of some of the poorest families in Bangladesh—widows, day laborers, and those who once survived without access to safe water. Between **2023** and **2024**, a total of **515** tubewells were installed bringing clean water right to their homes. For these families, the impact is life-changing: fewer illnesses from unsafe water, mothers no longer walking miles to collect water, children able to attend school instead of fetching water, and communities enjoying health, dignity, and hope for the future.

# Impact of the Tubewell Program in the Community

## ✓ Access to Safe Drinking Water

Families now enjoy clean and safe water at their doorstep, reducing waterborne diseases and improving overall health.

## ✓ Empowering Women and Children

No longer burdened with walking long distances to collect water, women have more time for family and livelihood, while children can focus on education.

## ✓ Improved Community Well-being

With reliable water sources, hygiene practices have improved, dignity is restored, and hope is renewed within vulnerable communities.

# Mega Well Program

Seeds of Sadaqah's Mega Well Program has been a lifeline for entire colonies of extremely poor families in Bangladesh, where safe water was once scarce and unreliable. Between 2023 and 2024, a total of 50 mega wells were installed, each designed with 8 extraction points so that dozens of families can collect clean water at the same time. Unlike a single household tubewell, every mega well serves an entire community—reducing waterborne diseases, saving time for women and children, and ensuring that whole neighborhoods can live with health, dignity, and hope for a better future.

# Impact of the Megawell Program in the Community

The installation of a Mega Tube Well provides safe and sustainable drinking water to hundreds of families in the community. It significantly reduces waterborne diseases, decreases the time spent collecting water (especially for women and children), and improves overall hygiene and sanitation. The availability of clean water also supports education, health, and local livelihoods, fostering long-term community development.

**"One Mega Tube Well brings clean water and a healthier life to an entire community."**

# Mosque Program

Seeds of Sadaqah has built two mosques for communities in need, giving the people a safe and dignified place to worship. For villagers who once prayed in open fields or makeshift shelters, these mosques now stand as centers of faith, learning, and unity—where children can study the Quran, neighbors can gather in peace, and entire communities can strengthen their spiritual and social bonds. More than buildings of brick and mortar, these mosques are lasting gifts of hope, dignity, and togetherness for generations to come.

# Impact of the Mosque Program in the Community

A mosque serves as more than just a place of worship; it becomes the heart of the community. It provides a safe space for spiritual growth, education, and social gatherings. Mosques often host religious classes, community programs, and charitable activities, fostering unity, moral guidance, and support for vulnerable members of the community. By bringing people together, a mosque strengthens social bonds and promotes collective well-being.

**"Beyond prayer, a mosque strengthens community bonds and supports those in need."**

# Ramadan Food Packet

*Seeds of Sadaqah has been able to distribute 300 Ramadan Food Packets to poor and underprivileged families in Sylhet, Sunamganj, and Golapganj.*

*Each packet contained essential food items such as rice, lentils, oil, flour, sugar, dates, chickpeas, salt, potatoes, onions, and garlic, ensuring that struggling families could prepare nutritious meals for suhoor and iftar.*

*This initiative aimed to support the most vulnerable communities, bringing relief to those facing financial hardships during the holy month. These food packets brought smiles, hope, and a renewed sense of belonging during the blessed month of Ramadan.*

# Impact of Ramadan Food Packet Program in the Community

*Ramadan Food Packets provide essential nutrition to families who are struggling to meet daily needs. They help ensure that everyone can observe the holy month with dignity, participate in Iftar, and focus on spiritual reflection rather than hunger. By easing the burden of food scarcity, these packets strengthen community solidarity, support vulnerable households, and bring hope and joy to countless families during Ramadan.*

**"Every food packet brings relief, dignity, and joy to struggling families during Ramadan."**

# Eid Gift & Celebration

*This Eid, Seeds of Sadaqah distributed gifts & celebrated with 1,500 orphans across 34 districts, spreading joy and smiles to those who need it most. Each child received thoughtful Eid gifts filled with love and care. The initiative brought hope, happiness, and a sense of togetherness to the hearts of many.*

# Impact of Ramadan Food Packet Program in the Community

*Eid Gifts and celebrations bring joy and happiness to children and families, especially those from underprivileged backgrounds. They create a sense of inclusion and community, allowing everyone to partake in the festive spirit regardless of their financial situation. These celebrations strengthen social bonds, promote generosity, and leave lasting memories of hope and togetherness in the hearts of beneficiaries.*

**"Celebrating Eid together spreads happiness, hope, and unity in the community."**

# Wedding Support

**Seeds of Sadaqah** successfully arranged and sponsored weddings of **41** orphan girls. These weddings were more than ceremonies—they marked a fresh beginning filled with hope, security, and a sense of belonging. Each bride was provided with essential household items, clothing, and financial support to help her start married life with confidence.

# Impact of the Wedding Support Program in the Community

The Wedding Support Program helps underprivileged couples begin their married life with dignity and hope. By providing financial and material assistance for weddings, it reduces the economic burden on families and ensures that young couples can celebrate this important life milestone. The program fosters social inclusion, strengthens family bonds, and brings joy and stability to households that would otherwise struggle to afford a proper celebration.

# Flood Victim Support Program

**Seeds of Sadaqah** has stepped forward to support families devastated by catastrophic flooding in Bangladesh. Thousands have been left homeless, struggling to access basic necessities. In collaboration with local organizations, volunteers, and government agencies, Seeds of Sadaqah is distributing essential relief, including food, clean water, clothing, and hygiene supplies. These efforts aim to provide immediate support, restore hope, and help communities begin the long process of recovery.

# Impact of the Flood Victim Support Program in the Community

The Flood Victim Support Program provides immediate relief and long-term assistance to families affected by devastating floods. Through food packets, cooked meals, hygiene kits, and other essential aid, the program helps families recover their dignity, health, and stability. By alleviating hunger and suffering during critical times, it restores hope, strengthens community resilience, and allows affected families to rebuild their lives with confidence.

### STRATEGIC REPORT

#### Reserves policy

The trustees have established a reserves policy to ensure that the charity can continue to meet its objectives, manage financial risks, and maintain stability in the event of unexpected income shortfalls or increases in expenditure.

Reserves represent the funds that are freely available for the charity's general operating purposes, excluding restricted funds which are earmarked by donors for specific activities.

The trustees aim to maintain unrestricted reserves sufficient to cover at least three months of core operational costs. This level is considered appropriate to provide financial resilience and to ensure continuity of services should there be any delay or reduction in funding.

At the year end, **unrestricted reserves totalled £172,838**. The trustees consider this level to be satisfactory at present and confirm that the charity remains a going concern. The trustees will continue to monitor the reserves position regularly and aim to build unrestricted reserves further to strengthen the charity's long-term financial sustainability.

#### Going concern

The trustees have reviewed the charity's financial position and confirm that it has adequate resources to continue operating for the foreseeable future. The accounts have therefore been prepared on a going concern basis.

**Report of the Trustees**  
**For the year ended 28 February 2024**

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 28 February 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

The board of trustees are satisfied with the performance of the charity during the year and the position at 28 February 2024 and consider that the charity is in a strong position to continue its activities during the coming year, and that the charity's assets are adequate to fulfil its obligations.

**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

Seeds of Sadaqah is a non-profit organisation working to strengthen humanity's fight against poverty, social injustice and natural disaster. Our objective is to advance such charitable purposes as the board members see fit from time to time to time.

In 2023-2024, Seeds of Sadaqah achieved remarkable progress in its mission to support and uplift vulnerable communities through sustainable projects. Our flagship initiative, "Home is Where the Heart Is," continued to provide essential resources and support for widows, orphans, disabled individuals, and others in critical need. This initiative focuses on offering safe housing and access to clean water, helping to lay the foundation for stability and well-being in underserved communities.

A major accomplishment in 2023-2024 was the construction of 71 tin houses and 39 brick houses, allocated to the most vulnerable members of our community, including widows, orphans, the disabled, and families facing severe hardships. Each home represents more than shelter; it provides a secure and dignified space where families can build stable lives and find renewed hope and security.

In addition to housing, we installed 246 tube wells and 24 mega wells to supply clean water. Each mega well is equipped with 4 to 14 distribution points, depending on location and specific community needs, ensuring broad access to safe drinking water. These wells have transformed access to clean water for many, alleviating health challenges and reducing the daily burden on women and children who once had to walk long distances to collect water.

We also provided 248 Ramadan iftar packs, offering essential food supplies to the most needy members of the community, including everyone who received housing support. These iftar packs gave families nutritious meals during the holy month of Ramadan, fostering a sense of community and relief for those who might otherwise struggle to secure adequate food.

During Eid, our Qurbani project was another vital part of our work this year, with the sacrifice of cows providing fresh meat to needy families across our supported communities. This act of giving helped ensure that many families could celebrate Eid with a wholesome meal and feel connected to the community.

Additionally, we conducted circumcision services for 100 individuals, providing essential healthcare to those who may otherwise lack access to these services. This project focused on the well-being and health of our communities, meeting a critical need for many families.

We were also thrilled to launch our "Kids for Kids" project, which supported over 1,517 orphans by providing them with new clothes for Eid. This initiative brought joy and dignity to children, allowing them to celebrate the holiday with a sense of pride and happiness, wearing new clothes gifted by Seeds of Sadaqah supporters.

As we look forward, we are grateful for the steadfast support of our donors and volunteers. Their contributions make it possible for us to continue building a future where all individuals, regardless of circumstance, have access to the resources they need to live with dignity and hope. Together, we are creating lasting change in the lives of those who need it most.
