## **PEACEFUL STREAMS**

### **Trustees' Report**

**For the year ended 31 December 2024**

The trustees are pleased to present their reported and unaudited financial statements for the year ended 31 December 2024.

#### **Structure, governance and management**

Peaceful Streams (the 'Charity') is a Charitable Incorporated Organisation, constituted by a Foundation Constitution, registered on 5 November 2021.

The Charity is managed by its trustees, of which the Constitution provides there must be a minimum of three at all times. All three current trustees served throughout the period of this report: Mr A J M Black, Mrs S P Black and Mr J A Heathcote. Mr Black served as the Chair throughout the period.

The trustees of the Charity are also its members. Under the constitution, certain key decisions relating to the fundamental structure of the Charity are required to be taken at a meeting of the members, but most day-to-day decisions and general management of the Charity are undertaken by the trustees in their capacity as such.

The original (and current) trustees were appointed by the Chair, as the Founder of the Charity, based on their skills, knowledge and experience that contribute to the effective administration of the Charity. The future appointment of any new trustees, in accordance with the Constitution, would be based on demonstrating the same criteria to encourage strong governance.

The trustees are in regular contact with one another to informally discuss matters relating to the Charity. Any matters to be brought before a formal meeting of the trustees are done so for due consideration, and any trustee is entitled and empowered to call such a meeting.

#### **Objectives**

The objectives of the Charity are deliberately broadly defined in the Constitution so as to allow the trustees to exercise their discretion for the benefit of purposes that are exclusively charitable under the law of England.

The trustees referred extensively to Charity Commission guidance on public benefit when deciding upon and defining the Charity's objectives, and will continue to do so as they prepare for future activities.

The trustees are pleased to present this report on the activities and progress of the charity for the past financial year. Despite the challenging environment faced by many local communities across the UK, we have continued to work towards our mission of providing targeted support to those in need, with a particular focus on projects that have a meaningful and lasting impact within our community.

The economic challenges faced by many communities over the past year have only intensified, as households continue to grapple with the cost-of-living crisis, reduced public funding, and the lingering effects of the pandemic. Local organizations and charities have increasingly found themselves under pressure, struggling to meet rising demands with limited resources. Against this backdrop, our charity has sought to provide timely and essential financial support to carefully chosen projects, with the aim of relieving some of this pressure and fostering a sense of hope and resilience within the community.

## **PEACEFUL STREAMS**

### **Trustees' Report**

**For the year ended 31 December 2024**

During the year, the trustees identified a small number of local initiatives that could greatly benefit from our grants. We worked closely with community leaders and organizations to understand where our resources could be most effectively utilized. We supported a donation to a local church's roof appeal, which will ensure that this important community hub can continue to serve residents for many years to come and further the teachings of the church in the local area, in an inclusive, forward-thinking way.

Our commitment is to supporting initiatives that not only address immediate needs but also contribute to the long-term sustainability and enrichment of the local area. We believe that by carefully selecting projects that align with our charitable objectives, we can maximise the positive outcomes for the community and ensure that our contributions have a lasting effect.

The challenges faced by local communities have been manifold, including financial insecurity, social isolation, and the strain on public services. In response, we have maintained a proactive approach, seeking out opportunities to support initiatives that alleviate these pressures in local communities and particularly for other organisations who can have a knock-on benefit to wider society.

As we look to the future, the trustees are mindful of the continuing challenges that lie ahead. The coming year is likely to bring further difficulties for many within our community, but we remain optimistic that through careful stewardship of our resources and close collaboration with local partners, we can continue to make a difference. Our focus will remain on supporting projects that address key issues within the community, whether through infrastructure improvements, service enhancements, or direct aid to those most in need.

In the year ahead, the trustees plan to build on the progress made to date, continuing to prioritise projects that align with our core objectives and ensuring that every grant we make delivers tangible benefits to the local community. We will also continue to monitor the evolving needs of the community, remaining flexible and responsive to new challenges as they arise.

We are proud of the work achieved over the past year and are committed to continuing our efforts in the year to come. We look forward to identifying new opportunities for impact, working in partnership with local organizations, and maintaining our focus on delivering positive outcomes for those in need.

### **Activities**

In this period of account, the trustees have made the below sets of grants:-

- Two grants of £25,000 each to St Marys Fetcham Church Council
- A grant of £12,200 to White Lodge Centre
- A grant of £50,000 to Effingham with Little Bookham

The trustees of Peaceful Streams considered that the making of the grant was in line with its objectives and aims, and that it would be used for purposes considered exclusively charitable under English law.

## **PEACEFUL STREAMS**

### **Trustees' Report**

**For the year ended 31 December 2024**

#### **Future plans**

The trustees intend to continue to pursue their philanthropic interest in supporting the local community, identifying projects, initiatives and organisations that align with the Charity's key themes as set out above. However, the trustees are also mindful that there are continuing developments in significant humanitarian issues in the United Kingdom and overseas, and will assess whether supporting such causes would be in line with their objectives and not lead to undue detriment to key local causes.

#### **Investment policy**

The trustees adopt a cautious approach to investment, with the priority of preserving its capital assets. It is intended and expected that sufficient income should be generated from the low-risk investment strategy (such as through government bonds and other interest-bearing assets) to satisfy the grants and commitments the trustees will support. Only in exceptional circumstances would the trustees ordinarily use capital on a regular basis to satisfy grants and commitments.

If the trustees were to invest in other assets, such as equities, their policy would be to avoid investing directly or indirectly in companies engaged in industries that would not align to their morals. Such industries would include, but may not be limited to:

- Alcohol
- Tobacco
- Pornography
- Cannabis and similar products
- Weapons and arms manufacturing
- Fracking and other non-sustainable resource extraction
- Generally, companies that did not publish clear strategies for combating human trafficking, exploitation and child labor as part of their supply chain

#### **Statement of trustees' responsibilities in relation to the financial statements**

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the Constitution requires the trustees to prepare financial statements for each financial year which give a true and fair view of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

### **Trustees' Report**

**For the year ended 31 December 2024**

#### **Statement of trustees' responsibilities in relation to the financial statements (CONTINUED)**

The trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Notes to the financial statements**

**For the year ended 31 December 2024**

#### **1 ACCOUNTING POLICIES**

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

##### **a) Basis of preparation**

The financial statements have been prepared in accordance with the Charities SORP FRS 102 applicable to charities preparing their accounts in accordance with FRS 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland, the Companies Act 2006 and UK Generally Accepted Practice as it applies from 1 January 2015.

The Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

##### **b) Preparation of the accounts on a going concern basis**

After making enquires, the Trustees have a reasonable expectation that the Charity has adequate resources to continue its activities for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial. There are no material uncertainties casting doubt on going concern.

### **DEPRECIATION**

Depreciation is provided at a rate calculated to write off the excess of cost over estimated residual value evenly over the estimated useful economic lives of each class of asset, subject to annual review.

### **INCOME**

#### **Recognition of income**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

#### **Donations**

These are generally included when received by the charity, since it is virtually impossible to be certain of the income before this point. Gift aid recoverable on donations received is included once this can be quantified with reasonable certainty.

#### **Legacies**

These are included once the charity's legal right to the legacy has become clear and once the legacy can be quantified with reasonable accuracy.

#### **Grants from charitable foundations**

These are recognised as income when receivable unless specific conditions need to be met, and which suggest the grant should be deferred.

## **PEACEFUL STREAMS**

### **Notes to the financial statements (continued)**

**For the year ended 31 December 2024**

#### **EXPENDED RESOURCES**

##### **Liabilities**

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Expended resources are, as far as is possible, included in the period to which they relate.

All expenditure is accounted for on an accruals basis and the majority is directly attributable to specific activities. Other indirect costs are apportioned to activities in accordance with staff activity and an assessment of where the resources have been applied.

All expenditure is classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings they have been allocated to activities in accordance with staff activity or an assessment of where the resources have been applied.

#### **GOVERNANCE AND SUPPORT COSTS**

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### **FUNDS**

The Funds held by the charity are: -

##### **Unrestricted funds**

These are funds which can be used in accordance with the charitable objects, at the discretion of the trustees.

##### **Designated funds**

These are restricted funds earmarked by the trustees for particular purpose.

#### **GOING CONCERN**

The Charity generates sufficient income from its investments to satisfy its financial commitments. The loan from Mr Black has no fixed date of repayment, is contingent on the Charity having sufficient resources to make repayment, and is not interest-bearing. On this basis, the trustees consider the Charity to be a stable going concern.

### **Trustees' Report**

**For the year ended 31 December 2023**

The trustees are pleased to present their reported and unaudited financial statements for the year ended 31 December 2023.

#### **Structure, governance and management**

Peaceful Streams (the 'Charity') is a Charitable Incorporated Organisation, constituted by a Foundation Constitution, registered on 5 November 2021.

The Charity is managed by its trustees, of which the Constitution provides there must be a minimum of three at all times. All three current trustees served throughout the period of this report: Mr A J M Black, Mrs S P Black and Mr J A Heathcote. Mr Black served as the Chair throughout the period.

The trustees of the Charity are also its members. Under the constitution, certain key decisions relating to the fundamental structure of the Charity are required to be taken at a meeting of the members, but most day-to-day decisions and general management of the Charity are undertaken by the trustees in their capacity as such.

The original (and current) trustees were appointed by the Chair, as the Founder of the Charity, based on their skills, knowledge and experience that contribute to the effective administration of the Charity. The future appointment of any new trustees, in accordance with the Constitution, would be based on demonstrating the same criteria to encourage strong governance.

The trustees are in regular contact with one another to informally discuss matters relating to the Charity. Any matters to be brought before a formal meeting of the trustees are done so for due consideration, and any trustee is entitled and empowered to call such a meeting.

#### **Objectives**

The objectives of the Charity are deliberately broadly defined in the Constitution so as to allow the trustees to exercise their discretion for the benefit of purposes that are exclusively charitable under the law of England.

The trustees referred extensively to Charity Commission guidance on public benefit when deciding upon and defining the Charity's objectives, and will continue to do so as they prepare for future activities.

The trustees are pleased to present this report on the activities and progress of the charity for the past financial year. Despite the challenging environment faced by many local communities across the UK, we have continued to work towards our mission of providing targeted support to those in need, with a particular focus on projects that have a meaningful and lasting impact within our community.

The economic challenges faced by many communities over the past year have only intensified, as households continue to grapple with the cost-of-living crisis, reduced public funding, and the lingering effects of the pandemic. Local organizations and charities have increasingly found themselves under pressure, struggling to meet rising demands with limited resources. Against this backdrop, our charity has sought to provide timely and essential financial support to carefully chosen projects, with the aim of relieving some of this pressure and fostering a sense of hope and resilience within the community.

## **PEACEFUL STREAMS**

### **Trustees' Report**

**For the year ended 31 December 2023**

During the year, the trustees identified a small number of local initiatives that could greatly benefit from our grants. We worked closely with community leaders and organizations to understand where our resources could be most effectively utilized. We supported a donation to a local church's roof appeal, which will ensure that this important community hub can continue to serve residents for many years to come and further the teachings of the church in the local area, in an inclusive, forward-thinking way.

Our commitment is to supporting initiatives that not only address immediate needs but also contribute to the long-term sustainability and enrichment of the local area. We believe that by carefully selecting projects that align with our charitable objectives, we can maximise the positive outcomes for the community and ensure that our contributions have a lasting effect.

The challenges faced by local communities have been manifold, including financial insecurity, social isolation, and the strain on public services. In response, we have maintained a proactive approach, seeking out opportunities to support initiatives that alleviate these pressures in local communities and particularly for other organisations who can have a knock-on benefit to wider society.

As we look to the future, the trustees are mindful of the continuing challenges that lie ahead. The coming year is likely to bring further difficulties for many within our community, but we remain optimistic that through careful stewardship of our resources and close collaboration with local partners, we can continue to make a difference. Our focus will remain on supporting projects that address key issues within the community, whether through infrastructure improvements, service enhancements, or direct aid to those most in need.

In the year ahead, the trustees plan to build on the progress made to date, continuing to prioritise projects that align with our core objectives and ensuring that every grant we make delivers tangible benefits to the local community. We will also continue to monitor the evolving needs of the community, remaining flexible and responsive to new challenges as they arise.

We are proud of the work achieved over the past year and are committed to continuing our efforts in the year to come. We look forward to identifying new opportunities for impact, working in partnership with local organizations, and maintaining our focus on delivering positive outcomes for those in need.

### **Activities**

In this period of account, the trustees made an unrestricted grant of £50,000 to St Marys Fetcham Parochial Church Council (SMF), a charity registered in England & Wales with registration number 1128915.

SMF is a faith-led debt advice charity, helping those in financial difficulty through their local churches or network of churches. In considering this grant, the trustees had regard to the following particular matters:

- SMF's annual return, trustee report and financial statements for the year ended 31 December 2022 were filed on time, as have all past years' statutory reporting. The reports are extremely detailed, providing a comprehensive overview of the activities and financial position of CAP.
- Although representing a small amount of the charity's total income for 2022, the trustees of Peaceful Streams considered that a grant of £50,000 would be meaningful to SMF and would allow them to have a tangible positive impact on SMF's service users.

## **PEACEFUL STREAMS**

### **Trustees' Report**

**For the year ended 31 December 2023**

#### **Activities (continued)**

- The trustees of Peaceful Streams considered that the making of the grant was in line with its objectives and aims, and that it would be used for purposes considered exclusively charitable under English law.

#### **Future plans**

The trustees intend to continue to pursue their philanthropic interest in supporting the local community, identifying projects, initiatives and organisations that align with the Charity's key themes as set out above. However, the trustees are also mindful that there are continuing developments in significant humanitarian issues in the United Kingdom and overseas, and will assess whether supporting such causes would be in line with their objectives and not lead to undue detriment to key local causes.

#### **Investment policy**

The trustees adopt a cautious approach to investment, with the priority of preserving its capital assets. It is intended and expected that sufficient income should be generated from the low-risk investment strategy (such as through government bonds and other interest-bearing assets) to satisfy the grants and commitments the trustees will support. Only in exceptional circumstances would the trustees ordinarily use capital on a regular basis to satisfy grants and commitments.

If the trustees were to invest in other assets, such as equities, their policy would be to avoid investing directly or indirectly in companies engaged in industries that would not align to their morals. Such industries would include, but may not be limited to:

- Alcohol
- Tobacco
- Pornography
- Cannabis and similar products
- Weapons and arms manufacturing
- Fracking and other non-sustainable resource extraction
- Generally, companies that did not publish clear strategies for combating human trafficking, exploitation and child labor as part of their supply chain

### **Trustees' Report**

**For the year ended 31 December 2023**

#### **Statement of trustees' responsibilities in relation to the financial statements**

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the Constitution requires the trustees to prepare financial statements for each financial year which give a true and fair view of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Independent examiner's report on the financial statements**

**For the year ended 31 December 2023**

**Report to the trustees**      Peaceful Streams

On accounts for the year ended:      31 December 2023

Charity number:                      1196446

Set out on pages:                      7 to 12

Responsibilities and basis of the report:      I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement:      The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the below stated body.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below) which gives me cause to believe that in any material respect:

- the accounting records were kept in accordance with section 130 of the Charities Act;
- the accounts accord with the accounting records; or
- the accounts comply with the applicable requirements

I have no concerns and have come across no other matters in connection with the examination with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## **PEACEFUL STREAMS**

### **Notes to the financial statements**

**For the year ended 31 December 2023**

#### **1 ACCOUNTING POLICIES**

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

##### **a) Basis of preparation**

The financial statements have been prepared in accordance with the Charities SORP FRS 102 applicable to charities preparing their accounts in accordance with FRS 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland, the Companies Act 2006 and UK Generally Accepted Practice as it applies

The Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

##### **b) Preparation of the accounts on a going concern basis**

After making enquires, the Trustees have a reasonable expectation that the Charity has adequate resources to continue its activities for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial. There are no material uncertainties casting doubt on going concern.

#### **DEPRECIATION**

Depreciation is provided at a rate calculated to write off the excess of cost over estimated residual value evenly over the estimated useful economic lives of each class of asset, subject to annual review.

#### **INCOME**

##### **Recognition of income**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

##### **Donations**

These are generally included when received by the charity, since it is virtually impossible to be certain of the income before this point. Gift aid recoverable on donations received is included once this can be quantified with reasonable certainty.

##### **Legacies**

These are included once the charity's legal right to the legacy has become clear and once the legacy can be quantified with reasonable accuracy.

##### **Grants from charitable foundations**

These are recognised as income when receivable unless specific conditions need to be met, and which suggest the grant should be deferred.

## **PEACEFUL STREAMS**

### **Notes to the financial statements (continued)**

**For the year ended 31 December 2023**

#### **EXPENDED RESOURCES**

##### **Liabilities**

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Expended resources are, as far as is possible, included in the period to which they relate.

All expenditure is accounted for on an accruals basis and the majority is directly attributable to specific activities. Other indirect costs are apportioned to activities in accordance with staff activity and an assessment of where the resources have been applied.

All expenditure is classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings they have been allocated to activities in accordance with staff activity or an assessment of where the resources have been applied.

#### **GOVERNANCE AND SUPPORT COSTS**

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### **FUNDS**

The Funds held by the charity are: -

##### **Unrestricted funds**

These are funds which can be used in accordance with the charitable objects, at the discretion of the trustees.

##### **Designated funds**

These are restricted funds earmarked by the trustees for particular purpose.

#### **GOING CONCERN**

The Charity generates sufficient income from its investments to satisfy its financial commitments. The loan from Mr Black has no fixed date of repayment, is contingent on the Charity having sufficient resources to make repayment, and is not interest-bearing. On this basis, the trustees consider the Charity to be a stable going concern.

## **PEACEFUL STREAMS**

### **Introduction from the Chair** **for the period 5 November 2021 (date of registration) to 31 December 2022**

It is a pleasure for me as Chair, but for all the trustees of Peaceful Streams, to submit the Charity's first annual report.

Although the Charity was, at the date of submission of this report, established some two years ago, never has the need been greater for those who are able to do so to redouble their philanthropic efforts. As set out in the trustees' report overleaf, the world continues to face an onslaught of violence, war, terror and sadness. We, the trustees, feel deeply fortunate to be in a position to work to make a tangible difference to those who need it the most.

This initial period to 31 December 2022 was largely preparatory on the part of the Charity and our trustees, laying the foundations for what we want Peaceful Streams to be. Together, we have reflected on a number of questions that have forced us to look deeply into ourselves, individually and as a collective.

Who are we?

Who do we want to be?

How do we maximise our impact, immediately and long term?

I am delighted that my fellow trustees and I have spent this initial period preparing to continue that support under our identity as Peaceful Streams. I look forward to being able to share in next year's report the more extensive work we have been undertaking and the causes we have been drawn to support.

I would like to express my thanks to my fellow trustees, who have brought their own individual perspectives, philanthropic interests and wide-ranging backgrounds to the Board of Trustees. This can only ever be hugely positive: increasing diversity of thought, considering new approaches, and working collaboratively together to challenge each other to develop new approaches to tackling existing issues.

The months and years ahead are extremely positive for Peaceful Streams, and our commitment to making a difference to those around the world who need support - now more than ever - remains unwavering

**A J M Black**  
**Chair of the Board of Trustees of Peaceful Streams**

## **PEACEFUL STREAMS**

### **Trustees' Report**

**for the period 5 November 2021 (date of registration) to 31 December 2022**

The trustees are pleased to present their reported and unaudited financial statements for the period 5 November 2021 (date of establishment) to 31 December 2022.

### **Structure, governance and management**

Peaceful Streams (the 'Charity') is a Charitable Incorporated Organisation, constituted by a Foundation Constitution, registered on 5 November 2021.

The trustees of the Charity are also its members. Under the constitution, certain key decisions relating to the fundamental structure of the Charity are required to be taken at a meeting of the members, but most day-to-day decisions and general management of the Charity are undertaken by the trustees in their capacity as such.

The original (and current) trustees were appointed by the Chair, as the Founder of the Charity, based on their skills, knowledge and experience that contribute to the effective administration of the Charity. The future appointment of any new trustees, in accordance with the Constitution, would be based on demonstrating the same criteria to encourage strong governance.

The trustees are in regular contact with one another to informally discuss matters relating to the Charity. Any matters to be brought before a formal meeting of the trustees are done so for due consideration, and any trustee is entitled and empowered to call such a meeting.

### **Aims & objectives**

The objectives of the Charity are deliberately broadly defined in the Constitution so as to allow the trustees to exercise their discretion for the benefit of purposes that are exclusively charitable under the law of England.

The trustees referred extensively to Charity Commission guidance on public benefit when deciding upon and defining the Charity's objectives, and will continue to do so as they prepare for future activities.

It is difficult to recall a time in recent memory of such global turmoil, mass displacement of people and economic hardship. The world continues to experience the impact of Russia's invasion of Ukraine; not only the devastating impact and loss of life amongst the millions of innocent civilians caught in a brutal war from which many are unable to escape, but the knock-on impact to the global economy.

In the UK, The Trussell Trust distributed almost 3,000,000 emergency food parcels through its network of food banks in the year to 31 March 2023, and they report that December 2022 was its busiest month on record - with an emergency food parcel being distributed every 8 seconds. And these statistics relate only to the network of Trussell Trust food banks in the UK; they do not take account of the many more charitable and independent organisations working towards the same aim.

Relaying global atrocities to the world is becoming ever-more dangerous, with the Committee to Protect Journalists reporting that, worldwide, 363 members of the press were imprisoned - a staggering year-on-year increase of 20% to a new global high.

## **PEACEFUL STREAMS**

### **Trustees' Report**

**for the period 5 November 2021 (date of registration) to 31 December 2022**

These are but a handful of reasons why Peaceful Streams and its trustees are so driven to bring meaningful change to a world so reliant on the charitable sector, particularly in situations where governments cannot (or will not) step in to plug the many gaps. Although the objectives of the Charity are widely drawn, there are key themes the trustees intend to examine and address in the periods following this initial preparatory phase:

- Initiatives to be supported by the trustees should be sustainable. This does not (necessarily) mean in a climate context, though this is doubtless a factor the trustees will take into account. Rather, it means that causes and projects should be capable of standing on their own two feet and not be wholly reliant on grant funding. This is to promote and strive for independent action by as many charitable organisations as possible, with solid plans to make meaningful differences under their own steam.
- Although each case will be considered on its own merits, the trustees are minded to use the resources of Peaceful Streams primarily for the benefit of the local community in which the majority of the trustees live.
- Although each qualifying application will be considered on its own merits, the trustees have a strong desire to adhere to principles of social mobility, tackling injustice, economic empowerment and equality for all - regardless of gender, race, sexuality, political views or any other characteristic that may all too often be seized upon, consciously or otherwise, to prevent the movement towards a truly free and equal global society.

### **Activities**

In this period of account, the trustees made an unrestricted grant of £10,000 to Christians Against Poverty (CAP), a charity registered in England & Wales with registration number 1097217.

CAP is a faith-led debt advice charity, helping those in financial difficulty through their local churches or network of churches. In considering this grant, the trustees had regard to the following particular matters:

- CAP is authorised and regulated by the Financial Conduct Authority, providing comfort that it has a strong external regulator in addition to the Charity Commission;
- CAP's annual return, trustee report and financial statements for the year ended 31 December 2021 were filed on time, as have all past years' statutory reporting. The reports are extremely detailed, providing a comprehensive overview of the activities and financial position of CAP.
- CAP has carefully considered its own risks, and how to mitigate those risks. Its financial statements have been audited by RSM UK, who have noted no concerns regarding the charity's financial position and have confirmed it is a going concern. With total net assets at 31 December 2021 of £8.127 million and creditors of just £927,000 it has excellent financial stability and considerable reserves.
- Although representing a small amount of the charity's total income for 2021, the trustees of Peaceful Streams considered that a grant of £10,000 would be meaningful to CAP and would allow them to have a tangible positive impact on CAP's service users.
- The trustees of Peaceful Streams considered that the making of the grant was in line with its objectives and aims, and that it would be used for purposes considered exclusively charitable under English law.

### Trustees' Report

for the period 5 November 2021 (date of registration) to 31 December 2022

#### **Future plans**

The trustees intend to continue to pursue their philanthropic interest in supporting the local community, identifying projects, initiatives and organisations that align with the Charity's key themes as set out above. However, the trustees are also mindful that there are continuing developments in significant humanitarian issues in the United Kingdom and overseas, and will assess whether supporting such causes would be in line with their objectives and not lead to undue detriment to key local causes.

#### **Investment policy**

The trustees adopt a cautious approach to investment, with the priority of preserving its capital assets. It is intended and expected that sufficient income should be generated from the low-risk investment strategy (such as through government bonds and other interest-bearing assets) to satisfy the grants and commitments the trustees will support. Only in exceptional circumstances would the trustees ordinarily use capital on a regular basis to satisfy grants and commitments.

If the trustees were to invest in other assets, such as equities, their policy would be to avoid investing directly or indirectly in companies engaged in industries that would not align to their values. Such industries would include, but may not be limited to:

- Alcohol
- Tobacco
- Pornography
- Cannabis and similar products
- Weapons and arms manufacturing
- Fracking and other non-sustainable resource extraction
- Generally, companies that did not publish clear strategies for combating human trafficking, exploitation and child labor as part of their supply chain

#### **Statement of trustees' responsibilities in relation to the financial statements**

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the Constitution requires the trustees to prepare financial statements for each financial year which give a true and fair view of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period.

## **PEACEFUL STREAMS**

### **Trustees' Report**

**for the period 5 November 2021 (date of registration) to 31 December 2022**

In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### Notes to the financial statements

for the period 5 November 2021 (date of registration) to 31 December 2022

#### **1 ACCOUNTING POLICIES**

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

##### **a) Basis of preparation**

The financial statements have been prepared in accordance with the Charities SORP FRS 102 applicable to charities preparing their accounts in accordance with FRS 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland, the Companies Act 2006 and UK Generally Accepted Practice as it applies

The Charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

##### **b) Preparation of the accounts on a going concern basis**

After making enquires, the Trustees have a reasonable expectation that the Charity has adequate resources to continue its activities for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements. There are no material uncertainties casting doubt on going concern.

### **DEPRECIATION**

Depreciation is provided at a rate calculated to write off the excess of cost over estimated residual value evenly over the estimated useful economic lives of each class of asset, subject to annual review.

### **INCOME**

#### **Recognition of income**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- it is more likely than not that the trustees will receive the resources; and
- the monetary value can be measured with sufficient reliability.

#### Donations

These are generally included when received by the charity, since it is virtually impossible to be certain of the income before this point. Gift aid recoverable on donations received is included once this can be quantified with reasonable certainty.

#### Legacies

These are included once the charity's legal right to the legacy has become clear and once the legacy can be quantified with reasonable accuracy.

#### Grants from charitable foundations

These are recognised as income when receivable unless specific conditions need to be met, and which suggest the grant should be deferred.

## **PEACEFUL STREAMS**

### **Notes to the financial statements (continued)**

**for the period 5 November 2021 (date of registration) to 31 December 2022**

#### **EXPENDED RESOURCES**

##### **Liabilities**

Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.

Expended resources are, as far as is possible, included in the period to which they relate.

All expenditure is accounted for on an accruals basis and the majority is directly attributable to specific activities. Other indirect costs are apportioned to activities in accordance with staff activity and an assessment of where the resources have been applied.

All expenditure is classified under headings that aggregate all costs related to that category. Where costs cannot be directly attributed to particular headings they have been allocated to activities in accordance with staff activity or an assessment of where the resources have been applied.

#### **GOVERNANCE AND SUPPORT COSTS**

Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

#### **FUNDS**

The Funds held by the charity are: -

##### **Unrestricted funds**

These are funds which can be used in accordance with the charitable objects, at the discretion of the trustees.

##### **Designated funds**

These are restricted funds earmarked by the trustees for particular purpose.

#### **GOING CONCERN**

The Charity generates is expected to realise sufficient income going forwards to satisfy its financial commitments On this basis, the trustees consider the Charity to be a stable going concern.

### **7 RELATED PARTY DISCLOSURES**

Professional fees of £1,200 (including VAT that is not recoverable by the Charity) have been accrued relating to the preparation of these financial statements by the Charity's accountant, Sanctoras Limited, of which Mr Heathcote is the principal shareholder and director. Mr Heathcote absented himself from discussion of and voting on the appointment of Sanctoras Limited as the Charity's accountant, such decision being made independently by the other trustees.
