

Kingdom Cricket International (KCI)

Annual Return Report

For the Year Ended 31 December 2024

1. Introduction

The year 2024 has been a period of meaningful community engagement, strengthened partnerships, and expanding vision for Kingdom Cricket International (KCI). Although operating entirely on a self-support basis, KCI continued to advance its mission of using cricket as a tool for fellowship, empowerment, and community connection.

2. Partnership with London City Christ Temple

A key highlight of 2024 was the deepening of our partnership with London City Christ Temple (LCCT). Through this collaboration, KCI successfully engaged local communities by organising and participating in friendly cricket matches during the summer of 2024.

Community Impact

- The matches created a positive and inclusive environment for families, youth, and church members.
- They strengthened relationships between LCCT and surrounding communities.
- They promoted physical activity, teamwork, and fellowship in a relaxed and enjoyable setting.

This partnership continues to be a cornerstone of our community outreach efforts, and we look forward to expanding these activities in the coming year.

3. Mission Trip to Zimbabwe – December 2024

In December 2024, Rev. Moyo undertook a mission trip to Zimbabwe on behalf of KCI. During this visit, he met with a women's cricket team who expressed strong interest in joining the KCI journey.

Key Outcomes

- The women's team demonstrated enthusiasm for future collaboration.
- Discussions opened pathways for potential training exchanges, mentorship, and international fellowship.
- The visit strengthened KCI's international relationships and affirmed the global potential of cricket-based ministry.

This development marks an exciting step toward expanding KCI's reach and supporting women in sport and ministry.

4. Financial Summary

KCI operated entirely on a self-support basis throughout 2024. No organisational expenditure was incurred during the year.

Account Balance

- Balance as of 23 December 2024: £64.38

This balance reflects careful stewardship and the voluntary nature of all activities undertaken during the year.

5. Conclusion

Despite limited financial resources, 2024 was a year of meaningful progress for Kingdom Cricket International. Through strong partnerships, dedicated volunteers, and a shared vision, KCI continued to impact communities locally and internationally.

We extend our gratitude to all partners, supporters, and volunteers who contributed their time, passion, and commitment. We look forward to building on this foundation in 2025 as we continue to use cricket as a platform for unity, empowerment, and ministry.
