OAFC/VETS

As OAs ourselves we will work closely with current OA's committee and bar management to ensure the maximum potential is made of the facility that prioritises use for all teams under the Aloysius badge, we believe we can assist with the continuous improvement of OA's teams and bring additional resources to the club.

Pitch Condition & Maintenance

Pitch condition and maintenance will be always of paramount importance and the ultimate sanction to proceed to play during severe weather will rest with School Playing Fields Trustees Representative - Mr Tony Besagni.

We fully commit to working closely with Tony Besagni and anticipate the need for localised pitch repairs and maintenance outside of the regular maintenance contract operated by School Trustees.

We are currently assisting in obtaining Football Foundation funding for The Grass Pitch Maintenance fund that will offer substantial grants for each pitch over a 6-year term. This grant application is now being considered by The Football Foundation and can provide as much as £11,000 per annum of pitch repair funding on behalf of The Trustees of the playing fields.

Middlesex County Saturday League Division 1

· To explore the development of an St Aloysius' College Diploma in Sport Programme. AFC researched and prepared a draft proposal for St Aloysius college' to consider, it was decided that September 2023 is a realistic target to work towards.

To maximise revenues from Grants from funding bodies such as the Football Foundation, Sport England & LB Islington:

· AFC achieved approval from Charity Commission November 2021 which enables significant funding opportunities to be further explored for season 2022-23.

· AFC were able to purchase 18 portable floodlights for winter training, we received 75% funding from Football Foundation and 25% from a private individual sponsor (Old Aloysian Member).

As OAs ourselves we will work closely with current OA's committee and bar management:

· AFC established a good working relationship with our colleagues that run OA's and the Clubhouse facilities, AFC have full use of the kitchen (AFC Café) during all our weekend sessions.

Pitch condition and maintenance will be always of paramount importance, we are currently assisting in obtaining Football Foundation funding for The Grass Pitch Maintenance fund that will offer substantial grants for each pitch over a 6-year term:

· AFC applied for and were granted Grass Pitch Maintenance fund of £11,000 on behalf of SAPFCT.

Aloysius FC Financials Summary

04 September to 31 March- Season 1

· Income	£43,856
· Costs	£43,610
· Surplus	£246
· Creditors	£1,253

Annual Income 01 July 2021- 30 June 2022

· Income	£53,377
· Costs	£51,761
· Surplus	£1,616

Projected Income/Costs July 2022- June 2023

· Football Costs (Venue & coaching)	£64,000
· Other costs inc Funding contribution	£11,000
· Football Fee Income	£40,000
· AFC Café- Surplus	£5,000
· Team Sponsors	£5,000
· Anticipated Shortfall	£25,000

AFC anticipate a shortfall in income against costs for the following reasons:

- Quality of the Coaching and team programme offered.
- Venue costs- AFC take a significant share of pitch time to allow Club growth and capacity.
- Discount and special consideration offer to players from deprived backgrounds- we aim to achieve a No Financial Barriers approach to player involvement in Aloysius FC.
- To attract the players for U16, Development Squad & Elite squad we believe these will need to be heavily subsidised.

Actual Income was £71,136 and costs £69,998, so income exceeded budget expectation.

Additional Funding Sources

We are looking to bridge the income shortfall by way significant increase in sponsorships, single source funding from the within the Aloysian family or grant funding through Social Enterprise groups.

If we are unable to obtain the additional funds required we will need to reduce our ability to offer free or heavily subsidised football to teams identified.

1. ACCOUNTING POLICIES

Basis of Preparation & Assessment of Going Concern

Basis of Preparation

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (SORP 2015) (Second Edition, effective 1st January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) and the Charities Act 2011.

The Charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Assessment of Going Concern

Preparation of the accounts is on a going concern basis. The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

Incoming Resources

Recognition of Incoming Resources

These are included in the Statement of Financial Activities (SOFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability

Incoming Resources with Related Expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resource and related expenditure are reported gross in the SOFA.

Grants and Donations

Grants and Donations are only included in the SOFA when the charity has unconditional entitlement to the resources.

Tax Reclaims on Donations and Gifts

Incoming resources from tax reclaims are included in the SOFA at the same time as the gift to which they relate.

Contractual Income and Performance Related Grants

This is only included in the SOFA once the related goods or services have been delivered.

Gifts in Kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SOFA as incoming resources when receivable. Perishable and non perishable food items donated to the Charity for onward distribution to beneficiaries are not valued in the Statement of Financial Activity.

Donated Services and Facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer Help

The value of any voluntary help received is not included in the accounts.

Investment Income

This is included in the accounts when receivable.

Investment Gains and Losses

This included any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

Grants with Performance Conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SOFA once the recipient of the grant has provided the specified service or output.

Grants Payable without Performance Conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to a grant which remain in control of the charity.

Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

INDEPENDENT EXAMINER'S REPORT ON THE ACCOUNTS

Report to the trustees/ members of Aloysius Football Club on the accounts for the year ended 31st July 2023 set out on pages 10 to 18.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- state whether particular matters have come to my attention

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
