The charity aims to prevent or alleviate poverty and homelessness in Manchester.

Provide outreach and support services to individuals in need, charities, or other organisations dedicated to combating poverty and homelessness.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

We provided outreach services in Manchester City Centre three nights a week, serving between 100 and 150 hot meals each evening. In addition to meals, we offer sandwiches, hot and cold beverages, clothing, and toiletries. Our impact has doubled compared to the previous year. Moreover, we have successfully assisted some of our service users in securing temporary or permanent housing, a significant accomplishment celebrated by everyone at Cold Hands Warm Hearts.

## Section E

## Financial review

### Brief statement of the charity's policy on reserves

We successfully raised £20,553 through a mix of charitable fundraisers, donations, and grants. During the same period, our expenditures totaled around £13,116, which was allocated to essential supplies for our nightly outreach services. This included cooking ingredients, toiletries, equipment, and emergency accommodation and food parcels. We sadly lost everything we owned in a storage fire six months into the year, but the community has come together and helped us raise an amazing amount of funding to help us build back up to where we are today.

### Details of any funds materially in deficit

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

## Section F

## Other optional information

I would like to just add that I did send this back on 02-11-25 when I sent back my return but this handset uploaded and now is showing me as 4 days overdue but I know this can have an impact on when we are applying for grants, would this be able to be put right
