The Trustees sent various fundraising applications, most of which were rejected due to not being within the funders main objectives/thematic and limited funds available. The Trustee Chair has now joined the Queen Commonwealth Trust as a young leader and will be applying for a grant of up to £20,000 to quick start the strategic activities (Entrepreneurship and leadership Training programme, Play and learning scheme and the donation of Study material) whilst also remaining alert to new opportunities with the education and employment thematic. However, the funders and supporters have been donating food and clothing to the most vulnerable from their own initiative. The founders have spent a lot of their time focusing on registering the charity in Cameroon and expanding their Training and Learning Centre. This centre has now got four computers which were donated by individuals , the rent and related expenditure were also donated but from April 2023 , there will be a formal contract as we will expand on activities, courses and capacity.

Rising Hope Foundation Cameroon is now registered with the Cameroonian local authorities facilitate the transfer of funds and management of activities.
