TRUSTEES' ANNUAL REPORT FOR THE

PERIOD FROM 15TH NOVEMBER 2021 TO 28TH FEBRUARY 2023

The Trustees present their report and financial statements for the Charitable Incorporated Organisation for the period from 15th November 2021 to 28th February 2023.

The financial statements have been prepared in accordance with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published (FRS 102) (effective 1st January 2019).

OBJECTIVES AND ACTIVITIES

The objectives of the Charitable Incorporated Organisation are to advance the education of pupils in the Liverpool City Region by raising the aspirations and maximising the potential of pupils attending schools in Liverpool in order to gain places in top ranked Universities, namely Oxford and Cambridge. Since incorporation the Trustees have ensured the objectives of the Charity are delivered through the provision of advice, mentoring, lectures, trips to universities, and University application support.

The Charity runs two successful residential trips to Oxford and Cambridge University, with a total of 135 students from the city of Liverpool benefiting from this opportunity. As a result, students were more likely to apply to the top two universities.

The Trustees employ a member of staff who acts as the Director of the Charity and is responsible for both the governing of the Charity and the delivery of its programs, including the delivery of in-school workshops and 1-2-1 support sessions. Paid for his services during this period included transport for our residential trips, personal statement reviews, and a 1-2-1 mentoring service. In total, the Charity worked with 756 students during the accounting period.

The Trustees have followed the guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Public Benefits

In considering the objectives and activities, the trustees have considered Charity Commission guidance on public benefit to ensure that the organisation is meeting its public benefit requirements.

ACHIEVEMENTS AND PERFORMANCE

Since Aspire Liverpool began operations as a charity, we have continued to see an increase in the number of students from Liverpool applying to Oxbridge. A Sutton Trust report examining the admission years between 2016 and 2019 found that, on average, Liverpool had 55 applications each year, with just 15-16 gaining a place at these prestigious universities.

Aspire Liverpool has developed a program for two main cohorts, our Year 10 'Inspire' and Year 12 'Reaching Higher' cohorts. Each cohort has the opportunity to experience Oxbridge style lectures and workshops once per month, and since 2022, Aspire has also run 4 successful residential trips to Oxford and Cambridge for both of its cohorts, with the aim of showing students that Oxbridge can be for them.

In 2022, Aspire Liverpool also began conducting in-school 1-2-1 sessions for its Year 12 students, and delivered workshops for the Year 10 cohort. Our Mentoring scheme is also a highlight for our Year 12 students who are deciding whether to apply and supporting them through the application process.

ASPIRE LIVERPOOL
TRUSTEES' ANNUAL REPORT FOR THE
PERIOD FROM 15TH NOVEMBER 2021 TO 28TH FEBRUARY 2023

Aspire Liverpool's work, in collaboration with schools across the city, has now resulted in almost triple the number of applications per year, with 132 students applying to Oxbridge for 2022 entry, and 148 for 2023 entry.

The income has been raised solely by private donations from three philanthropic individuals, with each donation also eligible for Gift Aid.

The first Year 10 residential trip to Cambridge was the largest expenditure for the accounting period.

FINANCIAL REVIEW

Total income for the year was £53,327.

Total expenditure for the year was £25,644, leaving a surplus for the year of £27,683.

At 28th February 2023 the Charitable Incorporated Organisation's reserves stood at £27,683 of which represented the unrestricted funds.

RISK MANAGEMENT

The trustees have assessed the major risks to which the Charitable Incorporated Organisation is exposed and are satisfied those systems are in place to manage exposure to the major risks.

RESERVES POLICY

It is the policy of the Charitable Incorporated Organisation to maintain unrestricted funds, which are free reserves at a level to cover a redundancy provision and three months' running costs should no further funding be received.

As at the end of the financial year the unrestricted funds totalled £27,683. The Charitable Incorporated Organisation requires £318 for redundancy provision, £5,129 for three months' running costs, (total £5,447).

The trustees plans for the balance of the unrestricted reserves is for the improvement and development of the projects and activities and provision of mentoring services.

PLANS FOR THE FUTURE

The Trustees and Director have identified projects and activities that they wish to improve and explore, including the provision of a mentoring service that is delivered in-house by volunteers of the charity. There is also a desire to develop a thriving alumni network given the charity has now supported over 100 students who gained places at Oxbridge since the beginning of the project. There will be a focus in the next two years on linking students in with industry, enabling work experiences to enhance their university applications.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF ASPIRE LIVERPOOL

I report on the accounts of the Charitable Incorporated Organisation for the period from 15th November 2021 to 28th February 2023 which are set out on pages 6 to 13.

Respective
responsibilities of
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed. It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view, and the report is limited to those matters set out in the statement below.

In connection with my examination, no matter has come to my attention:

Independent examiner's
statement

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the Charities Act;
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

ASPIRE LIVERPOOL
NOTES TO THE FINANCIAL STATEMENTS FOR
PERIOD FROM 15TH NOVEMBER 2021 TO 28TH FEBRUARY 2023

1. Accounting Policies

Basis of Accounting

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (SORP 2019) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS102) (effective 1st January 2019) and Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The Charitable Incorporated Organisation has taken advantage of the provisions in the SORP for Charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

Going concern

At the time of approving the accounts, the Trustees have a reasonable expectation that the Charitable Incorporated Organisation has adequate reserves to continue in operational existence for the foreseeable future. The Trustees are confident that the levels of liquidity and free reserves will not affect the Charitable Incorporated Organisation operations. Thus, the Trustees continue to adopt the going concern basis of accounting in preparing the accounts.

Fund accounting

Unrestricted funds are the charitable Incorporated Organisation's free reserves available for the Trustees to apply in accordance with the charitable objects.

Restricted funds are subject to specific restrictive conditions imposed by the donor. All restricted funds are accounted for as restricted income and expenditure for the purposes is charged to the fund.

Income recognition

All income is recognised once the Charitable Incorporated Organisation has entitlement to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount of income receivable can be measured reliably.

Donations and legacies comprise donations which are recognised in the accounts when received, with the exception of known legacies which are accounted for when their receipt is certain.

Income from charitable activities is recognised on an accrual's basis except for grants receivable, which are recognised on the date on which their unconditional payment is confirmed by the donor.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and are initially recognised at the present value of the future receipts discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

The estimates and underlying assumptions are reviewed on an on-going basis.
