Introduction

We are pleased to present the Trustees Annual Report for Jesus in My Corner Ministry for the year 2022-2023. This report highlights the key activities, achievements, and financial status of our ministry over the past year. Jesus in My Corner continues to be a beacon of hope, empowering individuals through the strength of faith and the discipline of boxing.

Mission and Vision

Our mission is to support individuals struggling with addiction by fostering a community rooted in faith, discipline, and mutual support. We envision a world where everyone has the opportunity to overcome their challenges through the strength found in Jesus Christ and the structured discipline of boxing.

Key Activities and Achievements

- 1. Boxing Training:** Our boxing training sessions, led by Andrew Flute, have been instrumental in building physical strength, discipline, and self-esteem among participants. These sessions have helped individuals develop valuable life skills such as perseverance, focus, and resilience.
- 2. Faith-Based Counseling:** We provided faith-based counseling and support groups to address the spiritual needs of our participants. These sessions have been crucial in fostering spiritual growth and providing a safe space for individuals to share their struggles and victories.
- 3. Community Outreach:** Our outreach programs included workshops and seminars on addiction recovery, faith, and personal development. These initiatives have successfully raised awareness and provided resources to those in need.
- 4. Mentorship Programs:** Through our mentorship programs, participants were paired with mentors who provided ongoing support and guidance. Many of these mentors are former addicts who serve as living testimonies of the transformative power of faith and discipline.

Our financial status for the year 2022-2023 reflects our commitment to transparency and accountability. The ministry's income primarily came from donations, grants, and fundraising events.
