Little Angels Playgroup

Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 March 2023.

Objectives and activities

Objects and aims

The charity works for the public benefit having as its objects, the development and education of children aged 2 years and 4 months up to 4 years in Newport City and the surrounding areas by the provision of quality, accessible, sessional childcare.

The purpose of Little Angels is to prepare children for eventual school life in an educational, fun, caring and secure environment and continue to provide good quality childcare to children in and around the local area, regardless of race, gender, faith or additional needs.

The centre is mostly financed by the Newport Early Years funding for three and four year olds. 24 children attended Nursery in the morning, 11 of which attended for the whole day under the 30 hours Childcare Offer for Wales. Fee paying Playgroup for younger children, 2 years and 4 months, is offered in the afternoon. We offer the Childcare Scheme, allowing local working parents to access free childcare throughout the working day.

As Education Providers all staff received up to date training in all aspects, including Safeguarding, Paediatric First Aid etc plus completion of the new up to date Welsh Early Years Curriculum, all helping to enhance the childrens learning. All staff are local to Newport, one of which comes from the immediate area.

By staff supporting positive behaviours towards learning, the children have been able to have successful relationships with peers and adults.

Objectives, strategies and activities

A few Additional Learning Needs children have been identified this year. Outside agencies have been approached for assessments on these children and extra funding has been achieved for additional 1:1 support. This has enabled us to free up staff to concentrate on the children and excellent results have been achieved.

We have been especially recognised this year by the Education Advisory Service as having excellent indoor and outdoor facilities / resources, in line with the new Welsh Curriculum.

Through careful budgeting, we have been able to adapt the inside area and the physical outdoor environment has undergone a lot of changes to enable it to be inclusive to all the children that attend the setting (i.e. both the younger and older children, children with disabilities).

Due to grants received, we have been able to provide extra technology, I Pads etc for the children and it has really helped to improve their digital competence. We have been able to buy many new resources due to grants from the local city council. Due to limited indoor space, we had an outdoor classroom built which now enables the children to go outdoors and continue their learning, in all weather, in line with the curriculum.

We have built up good communication / relationships with parents, feeder schools and local communities, mostly through word of mouth and have received excellent feedback. We have greatly improved the link between home and nursery by providing bags of activity items for the children to keep, which allows parents to see and do some of the activities that take place in the setting.

We have been oversubscribed this year and have a waiting list of children wishing to attend.

Little Angels Playgroup

Trustees' Report

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Financial review

All funds are held as unrestricted and there was a surplus in funds this year of £45,468.

Structure, governance and management

Nature of governing document

The Charity, registration number 1196624, is a charitable incorporated organisation and governed by its memorandum and articles of association. It received its charitable registration on the 17 November 2021.

Recruitment and appointment of trustees

The trustees are elected by the members at the Annual General Meeting. The trustees are reviewing the need to maintain a skills register to ensure required skills are represented.

Induction and training of trustees

New trustees are trained by the Centre Manager and the other trustees.

Organisational structure

The Trustees have the responsibility for running the Charity and for formulating the policies and procedures. The responsibility for the day to day activities is devolved to the Centre Manager who reports to the Trustees regularly.

Major risks and management of those risks

Going concern risk

The main source of funds is for Non Maintained Education and Childcare from the City Council. If this funding was withdrawn or we had a lot less children attending the setting, this would be the main financial risk but this is highly improbable as we are a much needed resource in the area.

Little Angels Playgroup

Trustees' Report

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The annual report was approved by the trustees of the charity on 8 December 2023 and signed on its behalf by:

Little Angels Playgroup

Independent Examiner's Report to the trustees of Little Angels Playgroup

I report to the trustees on my examination of the accounts of Little Angels Playgroup for the year ended 31 March 2023.

Responsibilities and basis of report

As the charity trustees of Little Angels Playgroup you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Little Angels Playgroup's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of Little Angels Playgroup as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Little Angels Playgroup

Notes to the Financial Statements for the Year Ended 31 March 2023

1 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation

Little Angels Playgroup meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Little Angels Playgroup

Notes to the Financial Statements for the Year Ended 31 March 2023

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £100.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Furniture and fittings	25% reducing balance

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.

Little Angels Playgroup

Notes to the Financial Statements for the Year Ended 31 March 2023

2 Income from charitable activities

	Unrestricted funds General £	Total funds £
