Summary of Activities

The TRIBE is a UK-based organization dedicated to fostering spiritual growth, leadership development, and community building among Christians worldwide. Registered as a charity (no. 1196644), we focus on equipping individuals and churches through teaching, worship, and missions. The TRIBE operates primarily as an online worship and learning community, offering a range of resources, including Bible courses, leadership training, and prophetic teachings.

We provide both free and subscription-based content through our platform. Our free worship community includes live worship events, interactive prayer sessions, and other spiritually enriching activities available via YouTube and in-person. For deeper engagement, the subscription-based TRIBE Learning Community offers access to over 800 teaching modules on leadership, theology, worship, and more, effectively functioning as an accessible online Bible school. Members also benefit from exclusive Zoom sessions, e-books, and tailored leadership resources.

Founded by experienced church minister Rev. Jarrod Cooper, our mission also extends globally, supporting ministries and fostering revival through in-person travelling ministry and innovative digital outreach. Cooper's vision is to help believers lead impactful lives centred on God's presence and to equip churches to thrive in contemporary contexts. Alongside his work with The TRIBE, Cooper leads Revive, a church network involved in church, missions and humanitarian efforts.

The trustees are aware of the guidance issued by the Charity Commission on public benefit; the trustees have due regard to this guidance in planning and carrying out the charity's activities.

- k) **300 Shields** – Sensing the need to increase prayer coverage and connection, our intercession group "300 Shields" now has 142 praying members (We need to enrol 158 more to reach 300!).

FUTURE DEVELOPMENTS

As we look forwards, we see the next developments of The TRIBE to include:

- a) **Network** – We want to continue to develop Tier 3 of the TRIBE online community, into more of a fully functioning network and support for leaders, in partnership with Revive Church.
- b) **Summits and Conferences** – We have long hoped to start significant gatherings in places around the world where we have close connections – the hope is to commence this in 2025.
- c) **Books and Resources** – New ideas for books and online resources continue to flow, and we hope to increase our resources output from the TRIBE, thus increasing ministry impact and income, keeping the charity buoyant.
- d) **Worship Nights and Gatherings** – Developing Worship Nights into moments of powerful impact and encounter, in East Yorkshire and elsewhere around the world is one of key aims.

- e) **Next Generation** – We are considering ways to develop a new generation of media ministry and worship ministry youth, who can carry and develop the work in the years to come.
- f) **Partnership** – We would like to increase the partner base giving, both regular and one-off, to draw in more active lives who would like to contribute to our charitable aims.
