

May Measurement Month (MMM)

**Trustees' Annual Report for the period
19 November 2022 – 31 December 2023**

Charity Number: 1196683

Version: V1

May Measurement Month

7 Bell Yard, London, WC2A 2JR | Registered Charity No: 1196683

info@maymeasure.org | www.maymeasure.org

1. Introduction

1.1 Overview

This Trustees' Annual Report outlines the activities, achievements and financial performance of May Measurement Month (MMM), a registered charity (Charity Number: 1196683) focused on raising awareness about the importance of measuring blood pressure (BP) and promoting early diagnosis and management of high BP (hypertension).

1.2 Charity Objectives

The primary objectives of MMM are to:

- Raise awareness of health issues surrounding high BP and emphasize the importance of regular blood pressure measurement
- Encourage and facilitate opportunistic BP screenings in local communities
- Collecting data from participating countries across the globe on BP levels and associated health issues to provide robust scientific data to assist governments with improving local BP screening facilities and associated health policies.
- Support research and advocacy efforts to improve global hypertension management.

1.3 Structure, Governance and Management

MMM is governed by a board of trustees who are responsible for the strategic direction and oversight of the charity. Trustees are appointed based on their expertise and commitment to the charity's mission. Day-to-day operations are managed by a dedicated team of staff and volunteers.

1.4 MMM Trustees and Management Team

May Measurement Month

7 Bell Yard, London, WC2A 2JR | Registered Charity No: 1196683
info@maymeasure.org | www.maymeasure.org

2. Achievements and Performance

2.1 Key Activities and Achievements

During the reporting period, MMM:

- Conducted BP screening events in 74 countries (see Appendix 1), reaching 718,508 individuals.
- Developed and distributed educational materials on hypertension prevention and management.
- Partnered with global health organisations and clinics to provide training and resources for BP detection and management.

2.2 Beneficiaries and Impact

Since its launch in 2017, MMM BP screening has been carried out in over 6 million people globally resulting in just over one million individuals being identified as having untreated or inadequately controlled hypertension. Countless others have been made aware of the impact of BP through MMM educational and awareness initiatives. Early detection and management of hypertension have been shown to significantly reduce the risk of cardiovascular disease and stroke.

3. Financial Review

3.1 Income and Expenditure

MMM's total income for the reporting period was £348,549, and total expenditure was £200,928.

3.2 Reserves Policy

MMM maintains a reserves policy to ensure sufficient funds are available to cover operational costs and any unexpected expenses. At the end of the reporting period, MMM held reserves of £397,842.

3.3 Financial Stability

MMM continues to diversify its income streams and seek funding opportunities to ensure long-term financial sustainability.

4. Plans for the Future

4.1 Strategic Priorities

MMM's strategic priorities for the next reporting period include:

- Expanding BP screening events in new countries and communities.
- Enhancing partnerships with global health organisations and organisations – including International Society of Hypertension (ISH), World Heart Federation (WHF), Resolve to Save Lives (RTSL), AF-SCREEN, Global Burden of Disease (GBD), Servier, Omron, Medtronic and Center for Disease Control (CDC).
- Developing innovative educational and awareness campaigns in new areas of screening closely associated with high BP such as atrial fibrillation and air pollution.

May Measurement Month

7 Bell Yard, London, WC2A 2JR | Registered Charity No: 1196683

info@maymeasure.org | www.maymeasure.org

4.2 Key Initiatives

To achieve MMM's strategic priorities in the coming year, the charity proposes to implement the following strategies and actions:

- Expand BP screening and awareness in new countries and communities.
- Enhance relationships with Global Health Organisations and Industry Partners.
- Develop innovative educational and awareness campaigns in new research areas and provide educational materials and screening for areas closely associated with high BP including atrial fibrillation and other BP related conditions.

By implementing these strategies and actions, MMM will work towards achieving its strategic priorities for the next reporting period, expanding its reach, and making a significant impact on global hypertension awareness and control.

5.3 Notes To The Financial Statements For The Year Ended 31 December 2023

1 Accounting Policies

Statement of Compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Effective 1 January 2015) – (Charities SOPR (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of Preparation

May Measure Month meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Exemption from preparing a cash flow statement

The charity has turnover below £500,000 and therefore under Bulletin 1 published on 2 February 2016 it has not included a cash flow statement in these financial statements.

Going Concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Income

All income is recognised when the Charity is entitled to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount can be reliably measured.

Donations and grants are included in the statement of financial activities when receivable by the Charity. Income from grants is recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met then these amounts are deferred.

Expenditure

Expenditure is recognised on an accruals basis as soon as there is a legal or constructive obligation committing the trust to the expenditure, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. Expenditure includes any VAT which cannot be fully recovered, which is reported as part of the expenditure to which it relates.

Investments

Fixed asset investments, other than programme related investments, are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in the market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

Debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

May Measurement Month

info@maymeasure.org | www.maymeasure.org

5.4 Notes to the Financial Statements *for the Year Ended 31 March 2022*

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustee's discretion in furtherance of the objectives of the charity.

Staff

No staff are employed and no remuneration or reimbursed expenses were paid to trustees during the year.

Related Party Transactions

There were no related party transactions requiring disclosure in the year.

5.3 Notes To The Financial Statements For The Year Ended 31 December 2023

1 Accounting Policies

Statement of Compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Effective 1 January 2015) – (Charities SOPR (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of Preparation

May Measure Month meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Exemption from preparing a cash flow statement

The charity has turnover below £500,000 and therefore under Bulletin 1 published on 2 February 2016 it has not included a cash flow statement in these financial statements.

Going Concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Income

All income is recognised when the Charity is entitled to the income, there is sufficient certainty of receipt and so it is probable that the income will be received, and the amount can be reliably measured.

Donations and grants are included in the statement of financial activities when receivable by the Charity. Income from grants is recognised at fair value when the charity has entitlement after any performance conditions have been met, it is probable that the income will be received and the amount can be measured reliably. If entitlement is not met then these amounts are deferred.

Expenditure

Expenditure is recognised on an accruals basis as soon as there is a legal or constructive obligation committing the trust to the expenditure, it is probable that the settlement will be required and the amount of the obligation can be measured reliably. Expenditure includes any VAT which cannot be fully recovered, which is reported as part of the expenditure to which it relates.

Investments

Fixed asset investments, other than programme related investments, are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in the market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

Debtors and creditors

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

Independent Examiner's Report

Report to the trustees

Charity Name

May Measurement Month (MMM)

On accounts for the year
ended

31 December 2023

Charity no
(if any)

1196683

Set out on pages

(remember to include the page numbers of additional sheets)

Responsibilities and
basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/12/2023.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the Institute of Chartered Accountants of England and Wales.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
