TRUSTEES' REPORT FOR THE YEAR ENDED 31ST DECEMBER 2024

We made donations throughout the year to over 12 London hospitals including:

Homerton, RLH, NEWHAM, Kings College, Whipps Cross, King George, Queens, Whittington, St Mary's Paddington, St George's Tooting, Evelina Children's Hospital (St Thomas), UCLH.

We were chosen to work with a yearly charitable You Tube Stream called Mental Con which raises money for a different charity every year. This is run by Trustee Julian McManus and Nathan Brabon who lives in the USA. We received \$10,000 and Julian was asked by Mark to become part of the charity.

We have paid the initial deposit and are half way through creating the CB4KUK website.

We have recruited more volunteers ... Andrea McManus, Brenda Rizzo from the UK to help with admin and posting duties. We have enlisted Leo Domingues (Texas USA) as a social media volunteer.

Plans for 2025

Finish the 2024 year end so Julian can start fresh with everything with plans to make a simple process for anyone in the future to take over if needed.

Get the website online and continue to update.

Organise social media accounts and run content.

Interact with hospitals and groups of interest which may be connected and could use our help.

Explore ways of raising funds through promotion of the website and possible comic fairs and events during the year.

Contact comic publishers and retailers to ask for help via book donations or promotion.

Cold call/email potential companies who may be interested in supporting our cause.

Look into Gift Aid or possible grants or other ways to maximise income.

Explore a charity eBay account to sell comic books which may not be suitable for hospitals and generate some extra funds.

Continue to send books to hospitals and form relationships.

Seek out some professional advice (This could be as simple as using charity websites) to conform with regulations and professionalise the charity.

Look into tax breaks for companies/individuals who may want to donate to our charity.

Stay optimistic and keep working with a smile 😊

TRUSTEES' REPORT (Continued) FOR THE YEAR ENDED 31ST DECEMBER 2024

Trustees' Responsibilities

The Charities Act 2011 requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the CIO and of the surplus of the CIO for that period. In preparing those financial statements the trustees are required to:

- Select suitable accounting policies and apply them consistently
- Make judgements and estimates that are reasonable and prudent
- Prepare financial statements on the going concern basis unless it is inappropriate to presume that the CIO will continue in existence.

The trustees are responsible for keeping proper accounting records, which disclose with reasonable accuracy at any time the financial position of the CIO. They are also responsible for safeguarding the assets of the CIO and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on 27 March 2025

Signed on their behalf by Trustee Mark Weiss

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST DECEMBER 2024

1. ACCOUNTING POLICIES

Basis of Preparation & Assessment of Going Concern

Basis of Preparation

The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) - (Charities SORP - FRS102) and the Charities Act 2011.

The Charity meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost unless otherwise stated in the relevant accounting policy notes.

Assessment of Going Concern

Preparation of the accounts is on a going concern basis. The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

Incoming Resources

Recognition of Incoming Resources

These are included in the Statement of Financial Activities (SOFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability

Incoming Resources with Related Expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resource and related expenditure are reported gross in the SOFA.

Grants and Donations

Grants and Donations are only included in the SOFA when the charity has unconditional entitlement to the resources.

Tax Reclaims on Donations and Gifts

Incoming resources from tax reclaims are included in the SOFA at the same time as the gift to which they relate.

Contractual Income and Performance Related Grants

This is only included in the SOFA once the related goods or services have been delivered.

Gifts in Kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SOFA as incoming resources when receivable.

Donated Services and Facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer Help

The value of any voluntary help received is not included in the accounts.

Investment Income

This is included in the accounts when receivable.

Investment Gains and Losses

This included any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

NOTES TO THE FINANCIAL STATEMENTS (continued) FOR THE YEAR ENDED 31ST DECEMBER 2024

1. ACCOUNTING POLICIES (continued)

Expenditure and Liabilities

Liability Recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance Costs

Include costs of the preparation and examination of statutory accounts, the costs of the trustees meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with Performance Conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SOFA once the recipient of the grant has provided the specified service or output.

Grants Payable without Performance Conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to a grant which remain in control of the charity.

Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Unrestricted funds

These funds can be used for the general objectives of the charity as set out in the trustees report. The movements of the unrestricted funds are given in the Statement of Financial Activities.

Restricted funds

These funds are where the donor has specified a purpose for the donation made. These restrictions often arise as a result of appeals for special offerings for specific purposes.

Designated funds

These funds are funds set aside by the trustees out of unrestricted general funds for particular purposes or projects.

Fixed Assets

Fixed Assets are capitalised if they can be used for more than one year and cost at least £1,500. They are valued at cost or, if gifted, at the value to the charity on receipt.

Depreciation Expense

Depreciation is calculated at a rate to write off the cost of tangible fixed assets over their estimated useful lives. The rates applied are as follows:

Fixtures, Fittings and Equipment	25% - Reducing Balance Basis
----------------------------------	------------------------------

2. TANGIBLE FIXED ASSETS

The CIO held no fixed assets during this or the previous financial period.

The annual commitments under non-cancelling operating leases and capital commitments are as follows:

31st December 2024: None

31st December 2023 : None

NOTES TO THE FINANCIAL STATEMENTS (continued) FOR THE YEAR ENDED 31ST DECEMBER 2024

12. STAFF COSTS AND NUMBERS

The CIO employed no members of staff during this or the previous financial period.

13. TRUSTEES AND OTHER RELATED PARTIES

No payments were made to trustees or any persons connected with them during this financial period. No material transaction took place between the organisation and a trustee or any person connected with them.

14. RISK ASSESSMENT

The Trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining the free reserves stated, combined with the annual review of the controls over key financial systems carried out on an annual basis will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks which they face and confirm that they have established systems to mitigate the significant risks.

15. RESERVES POLICY

The Trustees have considered the level of reserves they wish to retain, appropriate to the CIO's needs. This is based on the CIO's size and the level of financial commitments held. The Trustees aim to ensure the CIO will be able to continue to fulfil its charitable objectives even if there is a temporary shortfall in income or unexpected expenditure. The Trustees will endeavour not to set aside funds unnecessarily.

16. PUBLIC BENEFIT

The CIO acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. Details of how the CIO has achieved this are provided in the Trustees report. The Trustees confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the CIO should undertake.
