

WETWO FOUNDATION C.I.O.
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 4 APRIL 2025

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 4 April 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Overview

The Trustees report outlines the activities, achievements and financial performance of the WeTwo Foundation C.I.O., a registered charity (Charity Number: 1196799) focused on empowering underprivileged young people through life-changing adventures.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The primary objectives of the WeTwo Foundation C.I.O. are to:

- Give underprivileged young people from deprived areas, the chance to partake in once-in-a-lifetime expeditions in unique countries and eco-systems to enhance their CVs with vital life skills, boost their confidence and become role models for their peers and local communities.
- Encourage, develop and foster the young people to partake and start environmental and sustainable projects that will benefit their local communities (our "Pay it Forward" pledge that all participants agree to work towards).
- Mentor the next generation of climate-conscious explorer to create more diversity in the adventure community.

Significant activities

During the reporting period, the WeTwo Foundation C.I.O.:

- Worked with 10 underprivileged young people (aged 16-19) from deprived areas of Scotland, Wales, Northern and Southern England to help them improve their local communities through environmental/sustainable projects.
- Took the 10 young people to the Galapagos on a carbon neutral (eventually becoming negative) expedition where they undertook conservation work including removing invasive species, planting endemic species, beach cleans collecting micro plastics, volunteered at the Jocotoco bird reserve where they worked for the day helping to create a habitat for the Critically Endangered Galapagos Petrel. They also undertook physical challenges including a day-long volcano hike and two snorkels.
- Planted wild flower seeds in Wakehurst – Kew Gardens wild botanical garden to continue to work to offset our carbon emissions from expeditions.
- Highlighted the need for diversity within the adventure fields across multiple media platforms and events - including Sky News, Travel Weekly, the RGS and various Scouts talks.
- Provided references for several of our young people - two of whom secured places at university being the first in their families to do so, the other secured a paid work placement which resulted in a job offer.
- Premiered #WeTwo: Changing the Face of Adventure film in London at Kew Gardens at a special event, bringing some of our young people together from Antarctica for a reunion on stage for a Q&A, proving to sponsors and donors the difference the charity makes in our YP's lives and securing additional fundraising.
- Began planning for our 1-day fundraiser to increase donations into the Foundation for the next expedition.
- Became registered for Gift Aid.

WETWO FOUNDATION C.I.O.
REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 4 APRIL 2025

OBJECTIVES AND ACTIVITIES

Beneficiaries and Impact

- **PAY IT FORWARD PROJECTS:** Each of the 10 participants who journeyed to the Galapagos undertook environmental projects in their local communities. These included: Seed collecting and planting in Leeds, organised litter picks in Surrey, High Wycombe (with youth group), Manchester (with youth group), Wales (Borders), Hampstead, Birmingham (organised with the school), work in the local community gardens of north London, south London and Glasgow, joining local climate change programme (London).

- **OPPORTUNITY AND MENTORING:** The Foundation provided further references for several of the young people from the Antarctica programme, with one getting a full time paid work placement thanks to networking through the Foundation's contacts.

- **YOUTH TALKS:** One of our YP from Scotland continues to give talks across the country inspiring other young people as a positive role model from their region, he has gone on to volunteer as a Scout leader. Additionally, three of the young people from the Galapagos have already given talks to their schools and Scout groups to showcase their learning from the trip. The remainder of the YP plan to do the same.

Key Priorities

To achieve the WeTwo Foundation's C.I.O. strategic priorities in the coming year, the charity proposed to implement the following strategic actions:

- Enhance the relationship with existing partners and foster new contacts to secure further funding for future expeditions and opportunities for our young people.
- To take a further 10 YP on another lifechanging expedition - this time to Morocco – to help rebuild a village road post-earthquake, walk and camp in the Sahara and climb Toubkal the highest peak in North Africa.
- Increase fundraising activities throughout the year and encourage all our young people to help.
- Launch the Galapagos film in a venue TBC to encourage further donations with key donors and make the charity more visible.
- We are still in need of a Finance Officer - this is a priority for the coming 12 months, and continues to be difficult to recruit for. We also need a fundraiser and an administrator potentially.

FINANCIAL REVIEW

Reserves policy

The WeTwo Foundation C.I.O. maintains a Reserves Policy of a minimum of £5,000 to ensure sufficient funds are available to cover operational costs and unexpected expenses. When on overseas expeditions the Reserves Policy increases to cover any unforeseen costs relating to the health and safety of young people (i.e. upfront costs of an emergency evacuation etc).

Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for twelve months from the date of signing of these financial statements.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is governed by a board of trustees who are responsible for the strategic direction and oversight of the charity. Trustees are appointed on their expertise and commitment to the charity's mission. Day-to-day operations are managed by the trustees.
