

Every Good Gift

## **ANNUAL REPORT OF ACTIVITIES 2022-2023**

### **VISION**

Our vision on behalf of our donor partners and ourselves is to promote and advance the educational, social and economic wellbeing of the deprived communities in Zambia which have been adversely affected by the covid19 pandemic by working hand in hand with existing social, religious and other economic organisations in Zambia.

### **MISSION STATEMENT**

Our mission is to empower vulnerable members of the Zambian community who have been adversely affected by the covid19 pandemic (especially orphaned children and under deprived children from poor families) to achieve their educational, social and economic goal in life . We also aim to work with our partners on programs that will help in the relief of poverty among the poor of all ages.

### **OBJECTIVES OF EVERY GOOD GIFT**

The object of Every good gift (EGG) is the prevention and relief of poverty caused by the coronavirus pandemic in Zambia for the public benefit through the provision of essential items. The beneficiaries will be people disproportionately affected by the COVID-19 pandemic based on region, gender, income, access to education and healthcare or another disadvantage. EGG will provide the following but not limited too;

- (a) the provision of essential items
- (b) the installation of physical and technological infrastructure.

## **HOW WE MET OUR OBJECTIVES**

During the previous year's activities, we encountered several challenges related to securing items for distribution and ensuring that the correct beneficiaries received the donations. It became evident that many of our beneficiaries had experienced trauma stemming from various socio-economic incidents. In an effort to create a more lasting and meaningful impact, we decided to collaborate with organizations at the forefront of mental health issues on the ground. Our goal was to better equip EGG (presumably an organization or initiative) in providing improved "Gifts/essential items" and enhancing our interactions with clients.

In the current year, our focus shifted to youth recipients. We provided essential newborn items, assisted with maternity medical fees, and partnered with other organizations dedicated to creating opportunities for the disadvantaged. Additionally, we extended our support by donating to 140 children from Chilanga during the Christmas season. It's heartening to see how our efforts are making a difference in the lives of those we serve.
