## TRUSTEES' REPORT

### FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their report and accounts for the year ended 31 March 2024.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Act 2011.

#### **Structure, governance and management**

The charity was established by a charitable trust deed on 1 December 2021.

The charity is a Charitable Incorporated Organisation (CIO) whose only voting members are charity trustees.

The charity is based on a 'Foundation' model constitution, with appointment of charity trustees being the following:

1. Apart from the charity trustees, every appointed trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees.
2. In selecting individuals for appointment as appointed charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

The trustees who served during the year were:

Mr D H Human  
Mrs C J Van Heerden Human  
Mr S D H Human  
Mr B D Human  
Mrs E L M Human

The charity is a Charitable Incorporated Organisation (CE027407) registered at the Charity Commission (1196867).

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

#### **Objectives and activities**

The charity's objects are, for the public benefit, to further such charitable purposes as are exclusively charitable according to the laws of England and Wales as the charity trustees in their absolute discretion see fit, in particular (but without limiting the foregoing) by making grants to organisations operating in both the United Kingdom and overseas that:

1. Relieve children with disabilities and people in extreme poverty; and
2. Advance the Christian faith by providing pastoral care to those in need.

## TRUSTEES' REPORT (CONTINUED)

### FOR THE YEAR ENDED 31 MARCH 2024

---

#### Governance

The Trustees govern the CIO's grant making by setting:

- Grant making principles which ensure that decisions are ultimately made by the CIO's Trustees; and
- Grant making criteria which state the activities the Trustees wish to support in furtherance of the CIO's objects.

#### Grant making principles

The number of projects which can be supported is, of necessity, limited to the level of funds available for distribution in any year and it is the Trustees' preference to award fewer grants (typically between three and ten) of a higher value rather than many small grants.

The decision on which charities and organisations are to receive grants is at the discretion of the Trustees and will be decided by a majority vote.

The lowest amount that a grant will normally be made is for £1,000.

Public applications for project funding will not be invited for the foreseeable future. However, any that are received unsolicited may be considered on their own merit at the discretion of the Trustees.

#### Grant making criteria

In shortlisting the charities and organisations to support, the following criteria will be considered:

- Demonstrated track record of effectiveness in meeting its aims.
- Financial responsibility.
- Avoidance of duplication of charities serving similar needs.
- A mixture of national and international charities, organisations or bodies.
- Emphasis on charities, organisations or bodies that offer a high degree of visibility on their activities and effective communication with philanthropists / donors.

#### Due diligence

The Trustees will carry out sufficient due diligence on any proposed recipient organisation with the aim of ensuring:

- the identity of the organisation is ascertained;
- funds will be applied effectively and efficiently in furtherance of the objects of the CIO; and
- funds are not used for money laundering, terrorist, bribery or other unlawful purposes.

The Trustees will take a risk-based approach to due diligence, with risk factors including:

- the country and region in which the project is to be carried out;
- the availability of reliable information about the project and the organisation/s and personnel involved in it;
- the strength and history of the relationship between the recipient organisation and the CIO; and
- the amount of funding requested and the period of time over which the project is to be carried out.

#### Funding conditions

Funding will in all cases be subject to conditions including:

- that the funding may only be used for the purposes as agreed by the Trustees when agreeing to provide funding;
- that the project will be conducted in accordance with all local applicable laws, regulatory requirements and working practices;
- that, in the case of projects involving children or vulnerable adults, suitable safeguarding policies and procedures are in place;
- that no material changes will be made to the project unless they have been approved in advance by the Trustees;

- that the recipient organisation holds any unspent funding as a restricted fund and, in the event of it not being required or used for the project within a reasonable timescale, that the unspent funds are returned to the CIO.

### **Amendments**

The Trustees may vary the terms of this policy from time to time.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

### **Achievements and performance**

## TRUSTEES' REPORT (CONTINUED)

**FOR THE YEAR ENDED 31 MARCH 2024**

---

### **Statement of trustees' responsibilities**

The trustees are responsible for preparing the Trustees' Report and the accounts in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare accounts for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the accounts; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
