

Clanfield Youth Club continues to operate at nearly full capacity with a great team of three volunteers.

We have provided four children from Clanfield who attend the local secondary school, with a place to volunteer as part of the duke of Edinburgh award. Our regular sessions this year have included but not limited to ...two more sessions of basic first aid , a trip to the local theatre to watch a pantomime, community litter picks and lots of craft activites all free of charge to make the Youth Club accessible to everyone in the community.

We continue to benefit from a great deal of support from local charities and businesses, with one local charity shop providing grants and another local charity donating to cover rent and we hope this support continues to help keep the youth club running
