Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	Christian Hope Uganda (UK) primarily supports the provision of quality Christian education to children in south-west Uganda, especially those from disadvantaged backgrounds. By doing so, we aim to relieve the poverty experienced by many in this part of the world, to promote the education of children to enhance their life prospects and enrich their communities, and to advance the Christian faith to give them a solid foundation for life and hope for the future.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The charity raises awareness of the needs in Uganda and encourages prayer and financial support from individuals and churches in the United Kingdom. The funds are used by our partner organisation in Uganda, Christian Future Hope Uganda, to provide for such things as teachers' salaries, school meals, equipment, buildings, seed-funding for income-generating projects, support for individuals and families and training.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustees have had regard to the guidance issued by the Charity Commission on public benefit and are fully confident we fulfil its requirements. We currently support the education of about 700 children in Uganda as well as providing support for individuals and families in that country. All funds raised from the general public are used for these purposes, with all administrative costs for the charity being met by the trustees.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The charity has continued to provide the salaries for the majority of the staff at the two schools, as well as support for the provision of meals for both staff and pupils. Due to an increase in our regular income, we were able to increase the teachers' salaries at Kakagate by 35%. We have also provided funds for an administrative role and office, for the support of 4 orphans to enable them to continue their schooling and a Christmas gift for all staff at both schools.</p> <p>The principal capital projects over the last 12 months have included completing the water projects at both schools by providing electrical pumping systems for the borehole at Kakagate and the well at Kyehimba. Electrical wiring and a lightening conductor were also installed at Kakagate. Three new classrooms were built at Kakagate with funds raised in memory of Marion Dutton. Staff accommodation for 10 staff was constructed at Kyehimba, along with new boys' toilets. New girls' toilets and a washroom were built at Kakagate. Computers and a printer were provided for the staff at Kyehimba. Uniforms/polo shirts were purchased for the staff at both schools and uniforms provided for extra pupils at Kakagate.</p> <p>By this provision, including the improved standard of classrooms and accommodation for both staff and pupils, morale has been raised which has shown itself in a marked reduction in staff turnover especially at Kakagate.</p>

		A team of 8 trustees and supporters from the UK visited Uganda in June, allowing us to renew our relationship with the staff and pupils and to see first-hand the ongoing needs at the schools.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	In summary, we have £26,898 cash funds in the bank at 31.03.2025, £2,000 of which is held in our reserve fund. The balance of the funds will be used towards the building of new dormitories at Kakagate as well as other projects identified in the coming months. We have been able to continue to meet all our regular funding commitments in terms of salary, admin and food support, as well as fully fund the capital projects selected over the last 12 months.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Our reserves policy can be found on our website. In summary, as we have no legal obligations to provide services and as the demands on our funding always exceed the funds available, we have decided to keep approximately one month's regular funding in reserve. We are fortunate that our supporters are both generous and quick to respond to needs and so we are confident that we can raise emergency essential funding if the occasion arises.

Independent Examiner's Report to the trustees of Christian Hope Uganda, UK

I report to the trustees on my examination of the accounts of Christian Hope Uganda, UK (the Charity) for the period ended 31 March 2025.

Responsibilities and basis of report

As the trustees of the charity, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination. I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Progress was made in the provision of safeguarding policies and procedures for both schools. The trustees of the charity also studied a course, “Helping without Hurting”, on how to empower those we seek to help as we provide support. Independent Examiner's Report to the trustees of Christian Hope Uganda, UK

I report to the trustees on my examination of the accounts of Christian Hope Uganda, UK (the Charity) for the period ended 31 March 2023.

Responsibilities and basis of report

As the trustees of the charity, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination. I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
