

The Heath Youth Club

Chairperson's Annual Report

Year-End Review and Future Outlook

Introduction

As the Chairperson's of the Heath Youth Club, Upton by Chester it is our privilege to present to you the annual report for the past year. This report encapsulates our achievements, challenges, and proposes our direction for the forthcoming year. Our journey has been marked by the significant efforts and collective dedication of our Trustees and staff, driving us towards developing a vibrant and inclusive environment for our youth club members.

Membership and Participation

The membership and participation of our members has been affected by difficulties we initially faced with both the retention and recruitment of both trustees and staff. This meant during the early part of the year the club was unable to open because of lack of qualified and suitably experienced staff, Having, now recruited staff and new trustees the Youth Club is now operating on a far more stable basis.

This year, our club has had a stable membership and active participation. Our membership has a current maximum of 15 young people who consistently attend Youth Club on a weekly basis.

Key Achievements

Programmes and Events

We successfully organize on a weekly basis a range of activities, which includes participation in

group activities including.

- Table Tennis
- Pool
- Play station.
- Arts and Crafts

Financial Overview

Our financial health remains reasonably stable. However, as the trustees believe we need to increase Youth Club membership we need to identify new grant sources and other funding opportunities, which the trustees are now exploring.

Challenges and Solutions

Despite our successes, we encountered several challenges:

- The lack of staff disrupted to our in-person activities. However, this has now been resolved, we will be recruiting additional people which will help to ensure we continue to operate on a more consistent basis,
- Resource Constraints: Limited staff resources sometimes affected our ability to open and provide a safe and consistent service to our members.

Future Plans

Looking ahead, we have ambitious plans to expand our reach and impact:

By

- Increase membership of the Youth Club by greater engagement with the community and wider promotion of the activities of the Youth Club
- Development of long-term plans and programmes of activities after undertaking consultation with club members, parents and other people, groups or bodies active in our community.
- Strengthened Community Engagement: We aim to deepen our ties with the local community through collaborative projects and increased outreach activities.
- Looking for opportunities for grant funding or sponsorship from businesses and others active with our community

Conclusion

In conclusion, this year has been one of challenges, learning, and resilience. Our achievements are a testament to the collective efforts of our trustees, volunteers, and supporters. As we move forward, I am confident that we will continue to make a positive difference in the lives of our youth and the broader community.

Thank you for your unwavering support and dedication.

ROD LEE, CHAIR OF THE TRUSTEES

The Heath Youth Cub, Upton

The Heath Youth Club
