Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To raise donations and provide them directly to the homeless and rough sleepers of Croydon

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Our work provides direct care in the way of hot meals and drinks. This is given out every Monday in central Croydon.

This in turn help prevent begging, stealing and plays a part in reducing food poverty. The longer term benefits to easing pressure of the NHS all attribute to the works we do.

All trustees have been briefed on our values and our statutory declaration.

"I (Trustees name) do solemnly declare the I will defend, support, and follow the rules for Percy's homeless hub set out by the charities commission. I make this solemn declaration conscientiously with genuine integrity in my heart and a passion for bringing dignity to all those in need believing the same to be true, and by virtue of the provisions of the Statutory Declarations Act

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

Summary of the main achievements of the charity during the year

This year our founder Jack Percival walked from Epsom to Scotland to raise money for Percy's homeless hub and raise awareness for men's mental health.

Jack documented his journey on social media and completed this walk in under 30 days and had a interview with the BBC. The total raised for this campagine was over £11,000

In addition, we have continued our regular hot meals service every Monday in Croydon and are doing consistently 140 meals every Monday and our now serving on bank holidays as well we believe to have served around 6000 meals last year

Section E Financial review

Brief statement of the charity's policy on reserves

We hold a reserve fund of £350.00 this will roughly cover us if there is a mechanical failure on the van or an unforeseen expense occurs. To access this fund Adam Melius (Treasurer) would need to agree.

Details of any funds materially in deficit

We have no debts or deficits

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
