Anglers Inn and Alfred Henry Willink Trust

Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 5 April 2024.

Objectives and activities

Objects and aims

The objects of the CIO are to promote for the benefit of the inhabitants of the Strickland Ketel, Strickland Roger, Burneside and neighbourhood (area of benefit) without distinction of sex, sexual orientation, age, disability, nationality, race or political, religious or other opinions:

1. The advancement of education, religion and relief of poverty and sickness.
2. The provision of facilities for recreation or other leisure time occupation of individuals who have need of such facilities in the interests of social welfare, and with the object of improving the conditions of life for said inhabitants; and
3. Such other purposes which may be charitable according to the law of England and Wales.

Public benefit

Grants are made to village organisations in furtherance of the charity's aims.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Structure, governance and management

Nature of governing document

The charity is a CIO - Foundation registered with the Charity Commission on 9 December 2021. The new charity has taken over the activities and assets of the unincorporated charities The Anglers Inn Trust (old charity number 234193) and Alfred Henry Willink for a Recreation Ground (old charity number 523080). The unrestricted assets of the old unincorporated Charities vested in or transferred to the CIO under a vesting declaration and an asset transfer agreement dated 1 December 2022. On that date the CIO also become the sole trustee of the Unincorporated Charities in respect of their permanent endowment assets.

Organisational structure

The Charity is run by the Trustees without any paid staff from the offices of James Cropper Plc free of charge and any expenses. The Charity also administers the charity "Alfred Henry Willink" trust for a recreation ground No: 523080, which consists of a football field and tennis courts. It owns and provides a bowling green, a football field, a recreation ground for the Chapel Field housing estate and a car park for the Bryce Institute (village hall).

Financial instruments

Objectives and policies

The charity's activities expose it to a number of financial risks primarily around holding investments. The charity does not use derivative financial instruments.

Credit risk

The charity's principal financial assets are bank balances and investments.

The charity's main risk is the fluctuations in market value of the investments, however, as these are managed by professional investment managers and held for the long term to generate income this is not considered to be a major risk.

The charity has no significant concentration of credit risk, as its income is derived from investments not sales.

Anglers Inn and Alfred Henry Willink Trust

Trustees' Report (continued)

The annual report was approved by the trustees of the charity on/...../23/24 and signed on its behalf by:

P J Willink

P J Willink

Trustee

Anglers Inn and Alfred Henry Willink Trust

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by the trustees of the charity on 23/7/24 and signed on its behalf by:

P J Willink
Trustee

**Chartered Accountants' Report to the Trustees on the Preparation of the Unaudited
Statutory Accounts of
Anglers Inn and Alfred Henry Willink Trust
for the Year Ended 5 April 2024**

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the accounts of Anglers Inn and Alfred Henry Willink Trust for the year ended 5 April 2024 as set out on pages 6 to 18 from the company's accounting records and from information and explanations you have given us.

As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW) we are subject to its ethical and other professional requirements which are detailed at <http://www.icaew.com/en/members/regulations-standards-and-guidance/>.

This report is made solely to the board of directors of Anglers Inn and Alfred Henry Willink Trust, as a body, in accordance with the terms of our engagement letter dated 6 March 2023. Our work has been undertaken solely to prepare for your approval the financial statements of Anglers Inn and Alfred Henry Willink Trust and state those matters that we have agreed to state to the board of directors of Anglers Inn and Alfred Henry Willink Trust, as a body, in this report, in accordance with ICAEW Technical Release 07/16 AAF. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Anglers Inn and Alfred Henry Willink Trust and its board of directors as a body for our work or for this report.

It is your duty to ensure that Anglers Inn and Alfred Henry Willink Trust has kept adequate accounting records and to prepare statutory accounts that give a true and fair view of the assets, liabilities, financial position and of Anglers Inn and Alfred Henry Willink Trust. You consider that Anglers Inn and Alfred Henry Willink Trust is exempt from the statutory audit requirement for the year.

We have not been instructed to carry out an audit or a review of the accounts of Anglers Inn and Alfred Henry Willink Trust. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory accounts.

Anglers Inn and Alfred Henry Willink Trust

Notes to the Financial Statements for the Year Ended 5 April 2024

1 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation

Anglers Inn and Alfred Henry Willink Trust meets the definition of a public benefit entity under FRS 102. The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Anglers Inn and Alfred Henry Willink Trust

Notes to the Financial Statements for the Year Ended 5 April 2024 (continued)

Grant provisions

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £1,000.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The tangible fixed assets comprise land and as such are not depreciated.

Fixed asset investments

Fixed asset investments, other than programme related investments, are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Anglers Inn and Alfred Henry Willink Trust

Notes to the Financial Statements for the Year Ended 5 April 2024 (continued)

Borrowings

Interest-bearing borrowings are initially recorded at fair value, net of transaction costs. Interest-bearing borrowings are subsequently carried at amortised cost, with the difference between the proceeds, net of transaction costs, and the amount due on redemption being recognised as a charge to the Statement of Financial Activities over the period of the relevant borrowing.

Interest expense is recognised on the basis of the effective interest method and is included in interest payable and similar charges.

Borrowings are classified as current liabilities unless the charity has an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Designated funds are unrestricted funds set aside for specific purposes at the discretion of the trustees.

Financial instruments

Classification

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

Recognition and measurement

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

Anglers Inn and Alfred Henry Willink Trust

Notes to the Financial Statements for the Year Ended 5 April 2024 (continued)

Investments

Investments in non-convertible preference shares and non-puttable ordinary or preference shares (where shares are publicly traded or their fair value is reliably measurable) are measured at fair value through profit or loss. Where fair value cannot be measured reliably, investments are measured at cost less impairment.

Investments in subsidiaries and associates are measured at cost less impairment. For investments in subsidiaries acquired for consideration including the issue of shares qualifying for merger relief, cost is measured by reference to the nominal value of the shares issued plus fair value of other consideration. Any premium is ignored.

Fair value measurement

The best evidence of fair value is a quoted price for an identical asset in an active market. When quoted prices are unavailable, the price of a recent transaction for an identical asset provides evidence of fair value as long as there has not been a significant change in economic circumstances or a significant lapse of time since the transaction took place. If the market is not active and recent transactions of an identical asset on their own are not a good estimate of fair value, the fair value is estimated by using a valuation technique.

2 Income from donations and legacies
