## **OBJECTIVES AND ACTIVITIES**

### **Objectives and aims.**

There is no detriment to any country, society, community, or individual arising out of the Charity's activities.

## **ACHIEVEMENT AND PERFORMANCE**

### **Significant activities**

#### Projects in Pakistan

Our Charity launched its website and Charity Appeals to the public in March 2023 during Ramadhan (Month of fasting). This was a successful intense effort to not only raise funds for family food packs, and cooked meals for socially and economically deprived areas during the especially hard months of Ramadan when families would be fasting from sunrise to sunset, but also to raise awareness of their plight in general. Friends of Charity International made substantial progress and surpassed all our expectations for growth, volunteerism, and most important delivery of aid at that time.

Soon after our launch severe floods in Pakistan caused devastation on an unprecedented scale resulting in a national state of emergency being declared. According to UNICEF, the 2022 floods submerged one third of the country, affecting 33 million people, half of whom were children. The floods damaged most of the water systems in affected areas, forcing more than 5.4 million people to rely solely on contaminated water from ponds and wells. Homes and livelihoods were lost, and vital infrastructure was destroyed.

In the immediate aftermath, Friends of Charity International were able to assist with ground support with emergency tents, installation of water hand pumps to provide clean water and the delivery of food packs and essential day to day household items for the tents. Since then, Friends of Charity International have continued to expand projects and provide our loyal donor base with opportunities for helping our beneficiaries with humanitarian aid by the provision of fresh meat, food packs, daily meals, water hand pumps and winter blankets and building of mosques that were destroyed by the floods. We have also extended our appeals to provide mobility aid in the form of wheelchairs for those in need.

Friends of Charity International have also benefitted from 'My Ten Nights' and 'My Ten Days' donation platforms in the month of Ramadan and the period of Hajj specifically, two of the most religious months in the Islamic calendar renowned for charitable giving, increasing their reach and not only internationally but also now benefitting from donors across the globe, including Switzerland, Brunei, Seychelles and the USA.

Most of our donations are received via our website and donors are given an opportunity of not only donating but also of seeing where their donations are going and how they are making an impact. This is done using social media platforms, in particular Instagram, Facebook, and our website. Reports on Water Hand Pumps and wheelchair together with photographs are given to each donor allowing them to visualize the extent to which their donations assist our friends in need.

## **ACHIEVEMENT AND PERFORMANCE**

### **Significant activities**

#### Projects in Pakistan

Our Charity launched its website and Charity Appeals to the public in March 2022 during Ramadhan (Month of fasting) Launch in March 2022. This was a successful intense effort to not only raise funds for family food packs, and cooked meals for socially and economically deprived areas during the especially hard months of Ramadan when families would be fasting from sunrise to sunset, but also to raise awareness of their plight in general. Friends of Charity International made substantial progress and surpassed all our expectations for growth, volunteerism, and most important delivery of aid at that time.

Soon after our launch severe floods in Pakistan caused devastation on an unprecedented scale resulting in a national state of emergency being declared. According to UNICEF, the 2022 floods submerged one third of the country, affecting 33 million people, half of whom were children. The floods damaged most of the water systems in affected areas, forcing more than 5.4 million people to rely solely on contaminated water from ponds and wells. Homes and livelihoods were lost, and vital infrastructure was destroyed.

In the immediate aftermath, Friends of Charity International were able to assist with on ground support with emergency tents, installation of water hand pumps to provide clean water and the delivery of food packs and essential day to day household items for the tents. Since then, Friends of Charity International have continued to expand projects and provide our loyal donor base with opportunities for helping our beneficiaries with humanitarian aid by the provision of fresh meat, food packs, daily meals, water hand pumps and winter blankets and building of mosques that were destroyed by the floods.

Friends of Charity International have also benefitted from "My Ten Nights" and "My Ten Days" donation platforms in the month of Ramadan and the period of Hajj specifically, two of the most religious months in the Islamic calendar renowned for charitable giving, increasing their reach and not only internationally but also now benefitting from donors across the globe, including Switzerland, Brunei, Seychelles.

Most of our donations are received via our website and donors are given an opportunity of not only donating but also of seeing where their donations are going and how they are making an impact. This is done using social media platforms, in particular Instagram, Facebook, and our website. Reports on Water Hand Pumps together with photographs are given to each donor allowing them to visualize the extent to which their donations assist our friends in need.

Projects in Pakistan

Our Charity launched its website and Charity Appeals to the public as a Ramadhan (Month of fasting) Launch in March 2022. This was an intense effort to not only raise funds for family food packs, and cooked meals for socially and economically deprived areas during the especially hard months of Ramadan when families would be fasting from sunrise to sunset, but also to raise awareness of their plight in general. Friends of Charity International made substantial progress and surpassed all our expectations for growth, volunteerism and most important delivery of aid. Our core projects of the provision of Food remain a vital source of support for the beneficiaries. Our aim is to continue to expand projects and provide our loyal donor base with opportunities for giving that effect the impact and change that they expect.

During the month of fasting we were able to give Donors an opportunity of not only donating but also of seeing where their donations were going and how they were making an impact. This was done by the use of social media platforms, in particular Instagram, Facebook and our website.

Since our launch in Ramadan in March to October 2022 Friends of Charity International have provided:

Feeding Friends In Need Project – Which has comprised of:

1. Sadaqah Sacrifice Project

**Responsibilities and basis of report**

I report to the trustees on my examination of the accounts of the above charity (“the Trust”) for the year ended 31 October 2022.

As the charity's trustees, are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 (“the Act”).

I report in respect of my examination of the Trust’s accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner’s statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below \*) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a ‘true and fair’ view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
