Achievements and Performance

	SORP reference

Para 1.20	<p>This was the second year of the charity's existence.</p> <p>Trustee meetings were focused on the development of the charity's giving strategy, continued efforts into opening of a bank account, and the giving instances that took place through the year. Calls were held and emails exchanged with the organisations we subsequently gave to, Raise and SCL.</p> <p>Raise operates a matching scheme for student donors to the Against Malaria Foundation. Donations to Raise from students are equally matched by donors (or sometimes doubled), offering the students the opportunity to know their giving is going even further.</p> <p>SCL researches protest strategy, seeking to determine the ultimate effectiveness of campaigns depending on tactics implemented by participants. It seeks to transmit these findings to relevant groups on various issues (eg climate).</p> <p>Operations at the CIO continued to be held up by the difficulty in opening a bank account. However, as of May-24, subsequent to period end, a bank account was opened with CAF.</p>
