The provision and maintenance to a high standard of a bowling green available for competitive and social bowling out of doors during the spring and summer seasons.

The provision and maintenance of ancillary clubhouse and storage buildings.

Making those facilities available for other communal social activities in the autumn and winter months.

Achievements and performance

Summary of the main achievements of the charity during the year

Steps taken to publicise the availability of its benefits and to train and welcome new applicants led to a significant increase in those enjoying and benefiting from the charity.

Introductory literature was prepared and made available for all new members, to guide them in understanding the game and its procedures.

The active participation of a new member, not an adult, has increased the age range benefiting.

The availability of specialist equipment has helped those with temporary or long term handicaps to enjoy or continue to enjoy the recreational facilities.

Maintaining the green to a high standard has given added enjoyment to the use of the facilities.

Members of whatever age and depth of experience, whether handicapped or not, whether or not undergoing or recovering from serious medical conditions, have experienced and been able to enjoy matches arranged against other clubs from a wide area as well as the games among the members themselves.

Section E Financial review
