

Please note that this charity **KINGSTON VILLAGE HALL (1197094)** is not currently active as it is awaiting the transfer of legal documentation and financial details from **KINGSTON VILLAGE HALL (274947)**. We have received land registry confirmation but have a number of other legal steps to do. Once the transfer is completed, this charity number 1197094, which is a new style "Charitable Incorporated Organisation" will become active, and 274947 which is the old style charity will be retired. However, until then please refer to the 274947 financial return and reports which will furnish all necessary financial information on activities including the report and accounts.

Many thanks
