Manchester Relief in Need CIO

Trustees' Annual Report

The Trustees' wish to acknowledge the contribution of their colleague Shirley Adams who sadly passed away in August 2025. Shirley made a lasting impact on the work of the charity during her 30 years as a Trustee and she will be very much missed.

Structure, Governance and Management

Legal Status

The Trust is a Charitable Incorporated Organisation and is a registered charity, number 1197146 (registration date 15 December 2021). The charity is an amalgamation of four other charities, these being:

Manchester Relief in Need	Charity number 224271
Manchester Children's Relief in Need	Charity number 249657
Manchester District Nursing Institution Fund	Charity number 235916
The Levenshulme Trust for the Relief of Sickness and Suffering	Charity number 225116

The names of the present Trustees and Secretary are set out on page 1.

Recruitment and Appointment of Trustees

Trustees are recruited from those with an interest in and knowledge of health and social care. The charity advertises its Trustee positions both online and through contacting existing referrers to the charity. Potential Trustees are then invited to an interview with two Trustees. Following this they are invited to observe up to three trustee meetings before being formally appointed.

Trustees are appointed for a term of 3 years after which time they can be reappointed for two further three year terms.

Responsibilities of the Trustees

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice applicable to smaller charities.

Law applicable to charities In England and Wales requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the Incoming resources and applications of the resources of the Charity during the year and of its state of affairs at the end of the period. In preparing financial statements giving a true and fair view, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently; make judgements and estimates that are reasonable and prudent.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees have complied with their duty to have due regard to the public benefit guidance published by the Charity Commission.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy the financial position of the Charity and which enable them to ascertain its financial position and to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the Trust Deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Objectives and Activities for the Public Benefit

The objects of the Trust are wide, as defined in the constitution and are for:

- The prevention or relief of poverty in the city of Manchester by providing grants and items to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.
- The prevention or relief of poverty of persons in the city of Manchester, city of Salford and borough of Trafford who are sick, convalescent, disabled or infirm by providing grants and items to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.

This is achieved through the giving of grants to both individuals and organisations.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's aims and objectives and in planning future activities and setting the grant-making policy for the period.

Achievements and Performance

The Trustees are pleased to report significant achievements and progress during the year.

The charity has again been successful in distributing funds this year, awarding a significant number of grants during the year, responding to high levels of need across its beneficiary communities.

Individual Grants

The charity received 327 applications for individual support, of which 263 were reviewed by the Trustees. A total of **181 individual grants** were awarded, amounting to **£58,554** (2024: £47,546). Applications were received from **15 new referring organisations**, reflecting increased awareness of MRIN's work and a growing network of professional referrers.

Group Grants

In addition, **11 group grants** were awarded during the year, totalling **£30,902** (2024: £27,720), supporting organisations delivering direct assistance to communities in need. Further information can be found on page 13.

Reach and impact

The Trustees were pleased with a broader range of referrers and a wider geographical spread of applications. This has enabled MRIN to reach more extended areas of need and support beneficiaries who may previously have had limited access to assistance.

Governance and Policy Development

During the year, we enhanced our governance framework by introducing a formal Risk Register and streamlining existing policies. These measures strengthen the charity's ability to operate efficiently and respond effectively to challenges.

The charity remains committed to delivering its mission of supporting vulnerable individuals and communities in need.

Organisational development and governance

The Trustees have focused on strengthening MRIN's governance and internal processes to support sustainable delivery:

- A skills audit was completed and used to inform the recruitment of new Trustees.
- Additional funding was secured from Clark & Marshalls, providing valuable financial support and enabling MRIN to respond more effectively to demand.
- Policies and procedures were reviewed, with a rolling schedule in place to ensure they remain up to date and fit for purpose.
- Support was provided to develop a consistent Income and Expenditure schedule, improving financial oversight and reporting.
- A comprehensive risk assessment was carried out, strengthening systems and ensuring governance requirements are met.

Future Plans

Looking ahead, the Trustees have begun planning for 2025/26, with early discussions highlighting:

- The reintroduction of group visits, focusing on activities that provide the best value.
- A review of meeting arrangements, including the balance between in-person and online meetings, following the recruitment of new Trustees.
- Further development of the Charity's social media presence.
- Consideration of any additional activities that would support our charitable objectives.

Overall, the Trustees recognise that the Charity has experienced a successful year, marked by effective collaboration, improved systems, and a continued focus on delivering meaningful support to those in need.

Financial Review

For the year ending 30 September 2025 the total funds of the charity were £2,380,649 (2024: £2,302,238) with income of £119,972 (2024: £121,222) and expenditure of £138,618 (2024: £125,003).

At the end of the financial year the total funds of the charity were £2,380,649 (2024: £2,302,238), which consisted of £68,068 unrestricted funds (2024: £86,714) and £2,312,581 (2024: £2,215,524) endowment funds.

Donations

During the year, the charity continued to receive support from Clarke's and Marshall's Charities specifically for the Manchester Relief in Need fund. The

Trustees wish to thank the Trustees of Clarke's and Marshall's for their continued support.

Investment Policy and Performance

The Charity has appointed WH Ireland as their investment advisors with a discretionary mandate.

Policy

The investment objective is to provide income to meet the charity's objectives and maintain the real value of the capital. We aim to have a balanced, ethical portfolio and are mindful of safeguarding our assets for the future.

We give due consideration to the balance between UK and overseas equities. At the end of the period we had £2,172,029 (2024: £2,044,335) held in investments.

During the year we have received £59,948 as investment income (2024: £63,722) with an investment gain of £97,057 (2024: £207,286).

Reserves policy

The Trustees are committed to ensuring that sufficient reserves are maintained to ensure that they are able to continue to meet the needs of the applicants. Reserves at the year-end were £2,380,649 (2024: £2,302,238). This consisted of £68,068 unrestricted funds (2024: £86,714) and £2,312,581 (2024: £2,215,524) endowment funds.

A handwritten signature in black ink, appearing to read 'A. Addison', with a stylized flourish at the end.

Anna Addison
Chair

Independent Examiners' Report to the Trustees of Manchester Relief in Need

I report on the accounts of the Trust for the year ended 30 September 2025, which are set out on pages 7 to 19.

This report is made solely to the Charity's Trustees, as a body, in accordance with section 154 of the Charities Act 2011. My Independent Examiner's work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent Examiner's Report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity, and the Charity's Trustees as a body for my Independent Examiner's work, for this report, or for the opinions I have formed.

Respective Responsibilities of Trustees and Examiner

The Charity's Trustees are responsible for the preparation of the accounts. The Charity's Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - a) to keep accounting records in accordance with section 130 of the 2011 Act; and
 - b) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Anna Addison, Chair of Trustees

Notes to the accounts

Note 1: Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of preparation

The financial statements have been prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities in preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2016.

Manchester Relief in Need CIO meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting notes.

b) Preparation of the accounts on a going concern basis

Having considered projections for income and expenditure in the next 12 months the trustees consider that there are no material uncertainties to allow the charity to continue as a going concern.

c) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be reliably measured.

Donations are recognised when the charity receives the funds.

d) Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the charity.

Endowment funds represent donations and legacies received whereby the capital must be retained but an income arising from these investment may be used for the objects of Manchester Relief in Need.

e) Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be recognised reliably.

All expenditure is shown inclusive of VAT.

f) Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs. Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.

g) Investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently measured at their fair value as at the balance sheet date of the market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the period.

h) Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.

h) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provision re normally recognised at their settlement amount after allowing for any trade discounts due.

i) Corporation Tax

The charity is exempt from tax on income and gains falling within section 505 of the Taxes Act 1988 or section 252 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objects.

j) Key estimates and accounting judgements

In applying the charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions in determining the carrying amounts of assets and liabilities. The Trustees' judgements, estimates and assumptions are based on the best and most reliable evidence available at the time when the decisions are made, and are based on historical experience and other factors that are considered to be applicable. Due to the inherent subjectivity involved in making such judgements, estimates and assumptions, the actual results and outcomes may differ.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to the accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of revision and future periods, if the revision affects both current and future periods.
