During the first full financial year of our CIO we did not have a bank account. The CEO of MYWORLD Creative Projects ("MYWORLD") is also the Director of the CIC called Café Art (UK) Community Interest Company ("Café Art").

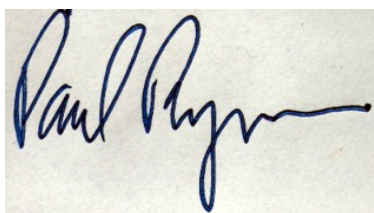

You can see our activity helping people affected by homelessness, and helping other organisations helping people affected by homelessness on our websites:

and

<https://www.cafeart.org.uk>

Because we did not have a bank account we did not receive any income or have any outgoings in this financial year.
