During the second full financial year of our CIO we did not have a bank account until November 2023. We had minimal deposits to test the new account.

The CEO of MYWORLD Creative Projects ("MYWORLD") is also the Director of the CIC called Café Art (UK) Community Interest Company ("Café Art").

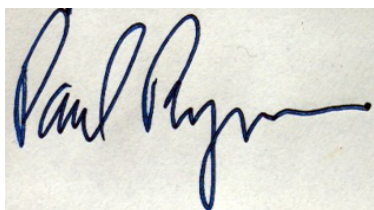

You can see our activity helping people affected by homelessness, and helping other organisations helping people affected by homelessness on our websites:

<https://www.myworldcreativeprojects.org>

and

<https://www.cafeart.org.uk>

Because we did not have a bank account until November 2023 we did not use the charity for business in this financial year.
