**TRUSTEES REPORT
FOR THE YEAR ENDED 31 OCTOBER 2024**

The trustees are pleased to present their annual report together with financial statements of the charity for the period ended to 31 October 2024.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Articles of Association and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Purpose

The prevention or relief of poverty across multiple Asian countries (Bangladesh and Pakistan) for the most vulnerable such as widowed women, orphaned and disabled children, and the elderly, by provision of access to items, services, and facilities which can be provided by the community contributions.

Mission and strategic objectives

This charity is able to provide grants and collect donations to be used for the purposes set out above.

Our key objectives this year were set in the context of the broader goals we set for the charity. These were:

- Reaching out to the outskirts of Pakistan and Bangladesh where help is not necessarily provided.
- To develop an agreed method of grant contributions based on family member numbers and vulnerability in line with the purpose.
- To increase awareness of the charity

GRANT MAKING PRINCIPLES

Jamila and Hamira Foundation have made grant donations by supporting the categories outlined in the purpose in line with the charity grant making policy.

REVIEW OF ACTIVITIES AND ACHIEVEMENTS

Our volunteers carried out research for where little to no help was being provided and the most vulnerable areas mainly far rural and Country sides.

In some cases, full day road trips were organised to reach the parts of the country where there is no infrastructure and people live with very little. We have witnessed firsthand the profound impact of hunger on families who endured days without food. We were able to provide 180+ grants to the individuals and communities that fell in the relevant category to support our purpose.

Each one of these grants have been made in line with the charity grant making policy and documented for any audit purposes.

Further charity content material has been produced and gathered through the charity activities, enabling the charity to potentially look into a website and social media presence for appeal of donations in the future.

This material was also distributed to those donors who wanted to see where their contributions were being spent.
