Youth Realities Limited

Trustees' annual report for the year ended 31 July 2025

The trustees present their report and the unaudited financial statements for the year ended 31 July 2025. Included within the trustees' report is the directors' report as required by company law.

Reference and administrative information set out on page 1 forms part of this report. The financial statements comply with current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice - Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102.

Statement of Chair:

At Youth Realities, our vision remains unwavering: a world where young people live free from relationship abuse and violence. Our mission continues to be the prevention and ending of abuse by working with young people to create specialist, youth-led spaces for prevention, intervention and healing.

Our approach is still firmly rooted in being youth-led and survivor-centred, ensuring that young people's voices, experiences and expertise shape every aspect of our charity. Young survivors continue to co-produce, design and influence our programmes, projects and organisational development. Our core values — youth-led, survivor-centred, safe, equitable and ambitious— remain embedded in everything we do.

Our Work in 2024- 2025

Over the past year, Youth Realities has continued to strengthen and broaden its offer as a youth-led specialist organisation addressing teenage relationship abuse. Our programmes remained wide-ranging and impactful, integrating creativity, specialist support and education. This included:

- 1:1 YP/IDVA support and advocacy for young survivors aged 11–25, living or studying in Barnet and surrounding boroughs.
- Deepin Relationships – a creative programme supporting young people to explore healthy relationships.
- Deepin Dance – using movement and expression as a tool for healing and empowerment.
- Wellbeing workshops, supporting young people's mental, emotional and relational health.
- Bespoke workshops and training for professionals, challenging attitudes around abuse and building capacity across sectors.

Our organisational aims remain central to our work: to reduce abuse, increase awareness and challenge harmful behaviours, empower young people's development, and provide trusted advocacy for those affected.

Teenage relationship abuse continues to have significant negative impacts on those affected, including both victims and those who perpetrate. There are no simple solutions, but Youth Realities remains committed to working closely with statutory partners, education providers and the voluntary sector to challenge harmful behaviours and support all young people in navigating relationships safely.

Trustees' annual report for the year ended 31 July 2025

Leadership and Organisational Stability

This year saw a period of change within the organisation. We appointed an Interim CEO, whose leadership has been instrumental in stabilising operations, embedding stronger internal processes and preparing Youth Realities for its next phase of growth. Their contribution has ensured continuity of high-quality service delivery while strengthening our foundations for long-term sustainability.

I am deeply grateful for the tenacity, professionalism and compassion shown by our team throughout this transition. Their commitment to going “above and beyond” for young people continues to define who we are.

Funding Landscape

Our financial health remains sound; however, we recognise the increasingly difficult funding environment across London, particularly within the domestic abuse (DA) and violence against women and girls (VAWG) sectors. Funding pots continue to shrink at a time when demand remains extremely high. This challenge is not unique to Youth Realities, but we are acutely aware of its implications and the importance of diversifying and strengthening our income streams over the coming year. Our Board of Trustees will continue to scrutinise our financial position closely.

Gratitude and Looking Ahead

As Chair, I am profoundly grateful to:

- Our dedicated staff team, who bring expertise, creativity and care to our work every day.
- Our trustees, who remain committed to robust governance and strategic leadership.
- Our funders and donors, whose support ensures that young people continue to access specialist, youth-led support when they need it most.

As we look ahead to 2026/27, we remain ambitious, hopeful and driven. Our commitment to young people — to their safety, empowerment and right to healthy, loving relationships — is stronger than ever. Youth Realities will continue to evolve, innovate and advocate, ensuring that young survivors remain at the heart of everything we do.

Chair, Youth Realities, 20/04/2025

Statement of responsibilities of the trustees

The trustees (who are also directors of the charity for the purposes of company law) are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable UK Accounting Standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The trustees' annual report has been approved by the trustees on 22 / 05 / 2026 and signed on their behalf by

Chair, Youth Realities

Independent examiner's report to the trustees of Youth Realities Limited

I report on the accounts of the charity for the year ended 31 July 2025 set out on pages 9 to 21.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the ICAEW.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement – matter of concern identified

I have completed my examination. I have identified a matter of concern in my report because the charity did not adequately track expenditure against restricted funds. This has necessitated a material transfer out of restricted funds totalling £72,983; no analysis of this is available. In addition, the former CEO failed to keep receipts for expenditure and the total of unreceipted expenditure is £4,408.

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, I confirm that no other matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Youth Realities Limited

Trustees' annual report for the year ended 31 July 2024

The trustees present their report and the unaudited financial statements for the year ended 31 July 2024. Included within the trustees' report is the directors' report as required by company law.

Reference and administrative information set out on page 1 forms part of this report. The financial statements comply with current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice - Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102.

Statement of Chair:

At Youth Realities our vision is a world where young people live free from relationship abuse and violence. Our mission is to end relationship abuse and violence by working with young people to provide specialist spaces for prevention, intervention and healing.

Everything we do is 'youth-led' and 'survivor-centred' which means we centre the needs and experiences of young people and survivors, providing regular opportunities for them to feedback, co-produce and lead on the delivery, design and development of the charity.

Our values, embedded in the heart of our work are: youth-led, survivor-centred, safe, equitable and audacious.

Over the past year we have continued to deliver a broad range of programmes including: 1:1 workshops & support, dance workshops, wellbeing programmes and other bespoke workshops all which focus upon the empowerment and development of those affected by teenage relationship abuse and violence. Teenage relationship abuse and violence has significant negative outcomes for those who are affected by it, and for those who perpetrate it. There are no easy solutions, but at Youth Realities we work closely with our statutory, education and voluntary sector partners to challenge these behaviours and to support all young people.

At the time of writing we are overseeing a change of leadership at the organisation in order for us to fulfil all of the above, and more, all for the benefit of children and young people. I am hugely grateful for those that lead Youth Realities with tenacity and dedication.

As Chair I remain grateful to our team of dedicated professionals who consistently go 'over and above' for our beneficiaries. I am continually thankful too for our funders and donors who support our efforts and without them we could not do our work. Our financial health is good, but like all charities across London we compete for a shrinking pot of money in a charitable landscape which is as demand heavy as ever before. This will continue to be a theme over the next reporting period and I and fellow Trustees will be alive to these challenges more than ever.

Chair, Youth Realities, 20.05.25

Youth Realities Limited

Trustees' annual report for the year ended 31 July 2024

Objectives and activities

The charity's objects ('objects') are exclusively charitable and specifically restricted to the following public benefits:

1. The advancement of education, the protection and preservation of health of young people aged between 11-25 living or studying in the London Borough of Barnet in particular but not exclusively by the provision of educational and creative workshops to help young people better understand teenage relationship abuse and wider social issues.
2. To preserve and protect the good health of young people aged 11-25 living or studying in the London Borough of Barnet who have experience of relationship abuse or other forms of abuse by the provision of support and advocacy by trained professionals.
3. To act as a resource for young people aged between 11-25 living or studying in the London Borough of Barnet by providing advice and assistance and organising programmes of physical, educational and other activities as a means of:
 - a. advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals;
 - b. advancing education;
 - c. relieving unemployment;
 - d. providing recreational and leisure time activity in the interests of social welfare for people living in the area of benefit who have need by reason of their youth, age, infirmity or disability, poverty, social and economic circumstances and experiences of relationship violence and abuse with a view to improving the conditions of life of such persons.

In order to achieve the above objectives, Youth Realities provides the following activities:

- Specialist one-to-one and group support for survivors of abuse and violence, inclusive of advocacy, emotional and practical development support;
- Educational activities and workshops within schools and communities;
- Creative group activities that aid wellbeing enhancement, such as fitness and arts;

The trustees review the aims, objectives and activities of the charity each year. This report looks at what the charity has achieved and the outcomes of its work in the reporting period. The trustees report the success of each key activity and the benefits the charity has brought to those groups of people that it is set up to help. The review also helps the trustees ensure the charity's aims, objectives and activities remained focused on its stated purposes.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning its future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives that have been set.

Chair, Youth Realities

Independent examiner's report to the trustees of Youth Realities Limited

I report on the accounts of the charity for the year ended 31 July 2024 set out on pages 9 to 21.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the ICAEW.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Youth Realities Limited meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £ sterling.

b Preparation of the accounts on a going concern basis

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

c Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Income received in advance of a provision of a specified service is deferred until the criteria for income recognition are met.

Notes to the accounts for the year ended 31 July 2024 (continued)

d Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of charity.

Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose.

Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

e Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise the costs of applying for grants and requesting donations.
- Expenditure on charitable activities includes the costs of youth activities undertaken to further the purposes of the charity.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

f Operating leases

Operating leases are leases in which the title to the assets, and the risks and rewards of ownership, remain with the lessor. Rental charges are charged on a straight line basis over the term of the lease.

g Tangible fixed assets

Individual fixed assets costing £500 or more are capitalised at cost and are depreciated over their estimated useful economic lives on a straight line basis as follows:

Office equipment	25%
------------------	-----

h Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

i Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Notes to the accounts for the year ended 31 July 2024 (continued)

j Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

k Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

l Pensions

Employees of the charity are entitled to join a defined contribution scheme. The charity's contribution is restricted to the contributions disclosed in note 8. There were no outstanding contributions at the year end.

2 Legal status of the charity

The charity is a company limited by guarantee registered in England and Wales and has no share capital. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The registered office address is disclosed on page 1.

Youth Realities Limited

Trustees' annual report for the year ended 31 July 2023

The trustees present their report and the unaudited financial statements for the year ended 31 July 2023. Included within the trustees' report is the directors' report as required by company law.

Reference and administrative information set out on page 1 forms part of this report. The financial statements comply with current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice - Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102.

Statement of Chair:

At Youth Realities our vision is a world where young people live free from relationship abuse and violence. Our mission is to end relationship abuse and violence by working with young people to provide specialist spaces for prevention, intervention and healing.

Everything we do is 'youth-led' and 'survivor-centred' which means we centre the needs and experiences of young people and survivors, providing regular opportunities for them to feedback, co-produce and lead on the delivery, design and development of the charity.

Our values, embedded in the heart of our work are: youth-led, survivor-centred, safe, equitable and audacious.

Over the past year we have continued to deliver a broad range of programmes including: 1:1 workshops & support, dance workshops, wellbeing programmes and other bespoke workshops all which focus upon the empowerment and development of those affected by teenage relationship abuse and violence. Teenage relationship abuse and violence has significant negative outcomes for those who are affected by it, and for those who perpetrate it. There are no easy solutions, but at Youth Realities we work closely with our statutory, education and voluntary sector partners to challenge these behaviours and to support all young people.

As Chair I remain grateful to our team of dedicated professionals who consistently go 'over and above' for our beneficiaries. I am thankful too for our funders and donors who support our efforts and without them we could not do our work. Our financial health is good, but like all charities across London we compete for a shrinking pot of money in a charitable landscape which is as demand heavy as ever before. This will continue to be a theme over the next reporting period and I and fellow Trustees will be alive to these challenges more than ever.

Chair, Youth Realities

Youth Realities Limited

Trustees' annual report for the year ended 31 July 2023

Objectives and activities

The charity's objects ('objects') are exclusively charitable and specifically restricted to the following public benefits:

1. The advancement of education, the protection and preservation of health of young people aged between 11-25 living or studying in the London Borough of Barnet in particular but not exclusively by the provision of educational and creative workshops to help young people better understand teenage relationship abuse and wider social issues.
2. To preserve and protect the good health of young people aged 11-25 living or studying in the London Borough of Barnet who have experience of relationship abuse or other forms of abuse by the provision of support and advocacy by trained professionals.
3. To act as a resource for young people aged between 11-25 living or studying in the London Borough of Barnet by providing advice and assistance and organising programmes of physical, educational and other activities as a means of:
 - a. advancing in life and helping young people by developing their skills, capacities and capabilities to enable them to participate in society as independent, mature and responsible individuals;
 - b. advancing education;
 - c. relieving unemployment;
 - d. providing recreational and leisure time activity in the interests of social welfare for people living in the area of benefit who have need by reason of their youth, age, infirmity or disability, poverty, social and economic circumstances and experiences of relationship violence and abuse with a view to improving the conditions of life of such persons.

In order to achieve the above objectives, Youth Realities provides the following activities:

- Specialist one-to-one and group support for survivors of abuse and violence, inclusive of advocacy, emotional and practical development support;
- Educational activities and workshops within schools and communities;
- Creative group activities that aid wellbeing enhancement, such as fitness and arts;
- Other bespoke and necessary activities required in order to achieve the objectives of the charity.

The trustees review the aims, objectives and activities of the charity each year. This report looks at what the charity has achieved and the outcomes of its work in the reporting period. The trustees report the success of each key activity and the benefits the charity has brought to those groups of people that it is set up to help. The review also helps the trustees ensure the charity's aims, objectives and activities remained focused on its stated purposes.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning its future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives that have been set.

In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently

- Make judgements and estimates that are reasonable and prudent

Chair, Youth Realities

Independent examiner's report to the trustees of Youth Realities Limited

I report on the accounts of the charity for the year ended 31 July 2023 set out on pages 9 to 20.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed. The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of the ICAEW.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

b Preparation of the accounts on a going concern basis

The trustees consider that there are no material uncertainties about the charitable company's ability to continue as a going concern.

c Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Notes to the accounts for the year ended 31 July 2023 (continued)

d Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of charity.

Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

e Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise the costs of applying for grants and requesting donations.
- Expenditure on charitable activities includes the costs of youth activities undertaken to further the purposes of the charity.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

f Operating leases

Operating leases are leases in which the title to the assets, and the risks and rewards of ownership, remain with the lessor. Rental charges are charged on a straight line basis over the term of the lease.

g Tangible fixed assets

Individual fixed assets costing £500 or more are capitalised at cost and are depreciated over their estimated useful economic lives on a straight line basis as follows:

Office equipment	25%
------------------	-----

j Creditors and provisions

Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

k Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

The trustees report the success of each key activity and the benefits the charity has brought to those groups of people that it is set up to help. The review also helps the trustees ensure the charity's aims, objectives and activities remained focused on its stated purposes.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning its future activities. Statement of responsibilities of the trustees

The trustees (who are also directors of the charity for the purposes of company law) are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable UK Accounting Standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charitable group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiner's report to the trustees of Youth Realities Limited

I report on the accounts of the charity for the year ended 31 July 2022 set out on pages 8 to 20.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
