2. Structure, Governance and Management

Welcome Home Foundation is grassroots, community-led organisation operating in Klagon, Tema, Ghana. The charity is overseen by a Board of Trustees, with day-to-day management and programme delivery led by the Founder/CEO.

The charity currently operates from the Founder's mother's (Georgina Amponsah) property, providing a safe and nurturing environment for children who would otherwise have no access to safe play or enrichment opportunities.

3. Objectives and Activities

Our charitable purpose is to:

- Provide safe, joyful, and enriching childhood experiences for vulnerable children in Ghana.
- Deliver play-based learning sessions that build life skills, confidence, and resilience.
- Support families and communities in creating sustainable, child-friendly environments.

All enrichment activities offered have been free of charge due to high levels of extreme poverty within the community.

Main Activities in 2024/25:

- Weekly play-based enrichment sessions in Klagon.
- Friday morning sessions within a local school, providing free enrichment activities to support children's creativity, emotional regulation, and teamwork.
- Provision of fruit, water, and light refreshments for children.
- Safe play opportunities, including use of canopy, and games.

- Special support for children with Autism, ADHD, speech/language needs, and learning difficulties.
 - Community engagement through Instagram storytelling and parent involvement.
-

4. Public Benefit

The trustees confirm that they have complied with the duty set out in section 17(5) of the Charities Act 2011 to have due regard to public benefit guidance.

Over 500 children have attended our sessions since July 2025, finding not only play but also safety, belonging, and support. Parents frequently report relief at knowing their children are safe, engaged, and cared for while in our space.

5. Achievements and Performance

- Children Reached in Community: Over 500 children participated in free enrichment activities at our Klagon site since July 2025.
 - School Integration: Every Friday morning, Welcome Home Foundation delivers free enrichment activities to 110 children, ranging from Crèche to JHS, within a local school. These sessions focus on creativity, teamwork, emotional regulation, and safe play — complementing their formal education.
 - Youth Leadership: A small group of older children are emerging as youth leaders, building confidence and responsibility.
 - Impact Stories: Children who previously had no safe play space now have a consistent, nurturing environment. Parents share their gratitude for having a trusted place where children can grow.
 - Community Trust: Mothers often come to Welcome Home Foundation asking, “Have you seen Kwame?” — because they know their children are safe with us.
-

Total Charitable Expenditure (from official income): £0

Reserves Policy:

The Foundation currently has no reserves. The trustees aim to secure external funding in 2025/26 to build at least one month's operating reserve.

- Expand early years area/programme and youth mentoring initiatives.
 - Continue with light refreshments alongside play-based learning sessions.

-

8. Gratitude

Welcome Home Foundation extends heartfelt thanks to:

- Patience Amponsah, whose support in Community 12 helped us begin this journey.

- The silent but powerful support from extended community members and online networks.

Trustees Annual Report & Statement of Financial Activity for the period **August 2023**

1. Introduction

1.1 Charitable Objects

For the public benefit the relief of poverty and hardship among disadvantaged young girls living in Ghana, but not exclusively those who are orphans, through the provision of shelter, food, health, education, and other such charitable services as the trustees may from time-to-time think fit.

1.2 Overview (Executive Summary)

To ensure disadvantaged and vulnerable young girls in Ghana have life-changing opportunities to thrive through quality Enrichment Activities that improve social-emotional mental health needs- implementing life skills to access Education increasing the ability to defeat poverty in the future.

2. Activities & Achievements

2.1 Outputs & Outcomes

This is the main section of the Report.

Charities are so diverse that it is impossible in a guideline document such as this to identify what the main body the report should say (or doesn't need to). So add as much text, with sub-headings as appropriate as you think will be of interest and relevance to your readers.

Remember to include a comment about any significant/relevant activities or achievements which have occurred since the end of the report period.

of

2.2 Policies on Grant-Making and/or Social Investments

The charity does not make any grants or make social or programme-related investments.

2.3 The Roles & Contributions of Volunteers

As Trustees you have all been the backbone of Welcome Home Foundation, thank you all for agreeing to serve in this capacity. Your commitment has made a difference.

2.4 How the Public Have Benefitted

Through enrichment activities, children have had valuable and memorable learning experiences. Enrichment Activities has come with many benefits that has supported their children social, emotional, and personal development. Activities that have stimulated the senses, promoted bonding, and promoted an atmosphere of learning and exploration through play. A major benefit of enrichment activities has been that the children have gained confidence as they are learning new and challenging skills. All games have had a strong intentional focus on improving social and personal skills and that has improved their self-esteem and self-confidence. The children have been able to improve their social skills by working with their peers and problem-solving.

2.5 Performance

Welcome Home Foundation's CEO arrived in Ghana on 10th April 2023 and started deliveries activities on Wednesday 3 May 2023. These activities have been able to continue twice a week for past 24 days. This has included a school trip to Cape Coast.

2.6 Looking Ahead

Welcome Home Foundation intends to continue the work with the present school and find other schools within the local area to implement the same Free Enrichment Activities.

3.1 Financial Position

This section is ONLY REQUIRED in the CC17 (Accruals) TAR template and NOT in the CC16 (R&P) TAR template.

However, the CC16 (R&P) TAR template does include as an option {O} a section to show "how expenditure has supported the key objectives of the charity". That could be interpreted as an "invitation" to include a broader "review of the charity's financial position".

It is suggested that ALL charities (including those preparing R&P accounts) include at least a brief review of their charity's financial position at the end of the financial period.

3.2 Details of Any Funds Materially in Deficit

The Charity has no funds which are materially in deficit.

3.3 Policy on Reserves

All charities are required to report on their Reserves Policy, or to explain why they don't have one.

But reporting a charity "reserve", and the charity's policies for managing them, is a classic example of bureaucratic/accountancy obfuscation (*ie*: confused, inconsistent & misleading jargon).

Which is why so many small charities either have inappropriate "policies", or none at all. Further information, see Small Charity Support's guidance leaflet on [Reserves Policies](#).

3.4 Going Concern

The CC17 (Accruals) TAR template requires an "Explanation of any uncertainties about the charity continuing as a going concern".

The CC16 (R&P) TAR template does not include any requirement or option to report on the "Going Concern" status of the charity.

3.5 Principal Sources of Funding

Welcome Home Foundation fundraising has been sort from family and Friends as we have only approved by Lloyds Bank July 2023.

3.6 Investments Policy & Objectives

A short review of the charity's social or ethical investments policies (if any).

3.7 Description of the Principal Risks Facing the Charity

The CC16 (R&P) TAR template also includes the option to report on "...the system and procedures to manage them".

3.8 Remuneration of Trustees

All Trustees act in a voluntary capacity and receive no remuneration or other material benefits from their services to the Charity.

Out-of-pocket expenses necessarily and reasonably incurred by Trustees in promoting the purposes of the Charity are reimbursed at cost.

3.9 Statutory Statements on Liabilities

The Trustees declare that:

The charity has given no guarantees where potential liability under the guarantee is outstanding at the date of this statement.

The charity has no debt outstanding at the date of this statement which is owed by the CIO, and which is secured by an express charge on any assets of the CIO
