## Expenditure Analysis

### 1. Wages and Payroll

Wages form the bulk of the nursery's monthly expenses. Payments were made regularly to:

- Beverley Scott
- Teresa Greenhalgh
- Laura Butterson
- Isobel Lloyd (May 2023)

AVOW payroll services supported processing, with PAYE also settled directly with HMRC.

Payroll payments were routine and consistent, indicating sound payroll management.

---

### 2. Reimbursements and Receipts

Several staff reimbursements were made throughout the year, especially during the NatWest period.

- **Tracy Ann Jones** had higher-value reimbursements (e.g., £923.10, £1,229.91) which reflect purchases of **playground equipment and nursery furniture**.
- These capital purchases were necessary and **receipts are generally well maintained** to support all claims.
- Additional reimbursements to Beverley Scott and Teresa Greenhalgh were for minor supplies or consumables.

Reimbursements are appropriate and backed by documentation.

---

### 3. Supplies, Equipment & Capital Items

Notable expenditure was invested in improving nursery facilities:

Supplier	Description	Amount (£)
HL Flooring Ltd	Flooring replacement	£7,110.26
Groundwork Invoice	Outdoor grounds improvements	£9,744.00
Seated Furniture	Furniture (multiple payments)	£2,192.68
Creative Activity	Educational resources	£929.39
SP Ventureplay	Outdoor/physical equipment	£550.76
TTS Group (TTS Group Ltd)	Teaching equipment	£1,913.41

Large purchases align with early years development goals and nursery improvement plans.

---

#### 4. Retail & Online Purchases

Numerous small purchases from Tesco, Lidl, Argos, Amazon, B&M, and Smyths Toys:

- Primarily for snacks, activities, child-friendly resources, and operational supplies.
- Amounts were modest and mostly under £20 per transaction.

These are supported by receipts or marked "OK" in records.

---

#### 5. Bank Charges

##### Bank Charges (£)

NatWest £28.44

HSBC £35.00

Regular monthly fees (~£5) are typical and within expected ranges.

---

#### Verification and Control

Category	Status	Notes
Payroll & PAYE	<input checked="" type="checkbox"/> Verified	Clear and consistent, supported by paperwork
Reimbursements	<input checked="" type="checkbox"/> Verified	Receipts maintained; large claims justified
Capital Purchases	<input checked="" type="checkbox"/> Verified	Supported by supplier invoices
Retail/Online Supplies	<input checked="" type="checkbox"/> Verified	Marked with receipts or "OK" status
Unpresented Expenditure	<input type="checkbox"/> Pending	To be cleared early in 2024/25

---

#### Observations & Trends

- A **bank transition** occurred mid-year, but all expenditure continued without interruption.
  - There was a **notable increase in capital investment** in playground equipment and site development between September and December 2023.
  - Reimbursement claims are generally low value and well controlled.
  - Large reimbursements (e.g., to Tracy Ann Jones) are appropriate for her role managing equipment procurement.
- 

#### Recommendations

1. **Continue Receipt Recording**

Receipt maintenance is good—ensure this continues for all reimbursements and small purchases.

2. **Track Capital Projects**

Document project justifications (e.g., new flooring, equipment) to aid future grant applications or inspections.

3. **Unpresented Monitoring**

Carry unpresented expenditure forward in 2024/25 and confirm clearance in Q1 reconciliation.

4. **Documentation Consistency**

Keep paperwork for even small amounts to support ongoing strong financial governance.

---

## Conclusion

The 2023/24 financial records for The Den show **clear, accurate, and well-controlled expenditure** with appropriate support for both routine operations and larger capital investments. Transition to a new bank was handled smoothly, and expenditure aligns with the nursery's objectives for child development and facilities enhancement. The nursery is **well prepared for audit**, with only minor improvements suggested in ongoing tracking of unpresented items.

**Total Recorded Expenditure:** £40,749.99

**Unpresented Items (To Clear in 2024/25):** £6,648.44

**Bank Reconciliation:**  Fully Matched to Bank Statements

## B VAT Reclaim Note

### VAT Reclaim Considerations – The Den (2023/24)

During the 2023/24 financial year, a number of purchases—particularly those relating to equipment, furniture, and refurbishment (e.g. HL Flooring, Seated Furniture, TTS Group, SP Ventureplay, Amazon, and Creative Activity)—included VAT within the total amounts paid.

Where VAT invoices are available and clearly itemised:

- **The Nursery may be eligible to reclaim VAT** on qualifying purchases, depending on its VAT registration status and the purpose of expenditure.
- **All large capital purchases** appear to have been made through reputable suppliers who typically issue VAT-compliant invoices.
- **Reimbursements** to staff (e.g., Tracy Ann Jones) for high-value items should be accompanied by original VAT receipts if VAT reclaim is to be pursued.

A review of receipts has shown that **many are VAT eligible**, provided the Nursery is either VAT registered or can reclaim through a parent organisation (e.g. Local Authority or governing body).

**⚠ Recommendation:**

Ensure that all future purchases over £100 (especially equipment and services) are made directly through the nursery account wherever possible, rather than via staff reimbursements, to improve clarity and strengthen VAT reclaim opportunities.

---

## C. Income Overview

This report outlines the income received by The Den during the 2023/24 financial year. A transition from **NatWest Bank to HSBC** occurred partway through the year. All income has been reconciled with bank statements for both accounts.

The total recorded income for 2023/24 is:

**Total Banked Income: £61,855.63**

**Unpresented Income (to be banked post-year-end): £360.00**

## Trends & Observations

  - **Parental contributions remain steady**, with cash and direct credits clearly recorded.
  - **Most income entries** include either paperwork verification or reliable account references.
- 

## Recommendations

1. **Unpresented Income Follow-Up**  
Ensure £360 (O Griffiths – Feb/Mar 2024) is banked and recorded in 2024/25.
  2. **Centralised Income Log**  
Consider maintaining a digital income log detailing source, category, and supporting paperwork for each transaction.
  3. **Verification of National Savings**  
Clarify and document the origin of the £300 National Savings entry.
  4. **Grant Tracking**  
Maintain a tracker for Welsh Government and WCBC income, showing intended purpose and linked spending.
- 

## Conclusion

The Den has demonstrated **strong financial control** and a **clear audit trail** for income received in 2023/24. The income is appropriately categorised and reconciled, with minor exceptions requiring follow-up. The nursery has effectively maximised external funding,

particularly from the Welsh Government, while maintaining a consistent level of parental contributions. With continued focus on verification and tracking, the nursery is fully audit-ready.

**Total Verified Income:** £61,855.63

**Unpresented Income (To Carry into 2024/25):** £360.00
