Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	1. Embrace those who have served/are serving in Defence HUMINT. 2. Educate on past HUMINT operational activity. 3. Educational support to the Military Intelligence. 4. Provide a single and authoritative poc for serving/Veteran HUMINT operator (incl wife, husband, widow, widower) who may need support. 5. To commemorate HUMINT operators who have lost their lives or suffered injury. 6. To engage in any other activity which the Trustees deem to be appropriate to support its members.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	The Charity has engaged throughout the reporting period with associated Military Units and a number of external bodies (including other Military Charities to benefit both the Trident members and the wider public). Much of this has been to advance the development and social/educational interaction and wellbeing of the HUMINT Community (veteran and serving) including: establishing a Trident website; raising awareness and actual delivery of Mental Health; identifying how the Charity can further aid its members; setting and notifying wellbeing procedures; arranging

		respite opportunities for members through association with another Charity; advising members in respect of operational legacy matters; facilitating social gatherings; and delivering historical HUMINT educational presentations. We have been especially active in raising awareness of NI Legacy issues and the impact upon our Veteran community.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	Each of our Trustees remain fully conversant/familiar with the Charities Commission guidance on public benefit.

Policy on grant making	Para 1.38	Our 'grant making' has continued its development during 24/25, amidst developing association with others and improved awareness of our members and the issues they face. All decisions have been taken at Committee/Trustee Meetings and minuted.
Policy on social investment including program related investment	Para 1.38	We have no need to engage in social investment (at this point) and therefore no policy.
Contribution made by volunteers	Para 1.38	A growing number of our members are providing our charity with their services 'pro bono' – arranging fundraising and/or social events, the AGM, welfare awareness, developing our charity website. We continue to see an increase in the efforts of members to raise funds and attract donors, while continuing to commit personal donations.

Achievements and Performance

	SORP reference	
--	----------------	--

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Maintaining the charity continues to be a challenge, never mind growing it – although the rise in membership is pleasing; nonetheless, we remain small and with minimal needs. We continue to derive benefit from the diverse range of our members. The nature of HUMINT deems its existence and workings to be sensitive. Managing Trident is not straightforward given these circumstances and is facing growing pressures from the rise in volume of NI Legacy activity matters [something that will both continue and grow]. Trident continues to deliver a broad membership from all corners of the Armed Forces - serving and retired, all ranks. We further benefit from association with like-minded charities to mutual benefit – Taigh Mor Foundation continues to be the principal charity within this context; but also charities similarly at risk from NI Legacy activities.
