## Apollo Trustees' Report

The Trustees present their annual report and accounts for the first period from 5<sup>th</sup> January 2022 to 5<sup>th</sup> January 2023. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' issued in March 2005,

During this period, the charity had dormant accounts.

### Structure, governance and management

The Charity is constituted as a Charitable Incorporated Organisation (CIO) Foundation, as a body corporate under Part II of the Charities Act 2011 on the 5<sup>th</sup> January 2022. The CIO registered with the Charity Commission on the same day.

Trustees are legally responsible for the governance and management of the charity. Trustees are responsible of setting strategies and policies for ensuring these are implemented.

### Risk management

The charity's trustees have considered the major risks to which the charity is exposed and have reviewed potential risks. Systems and procedures have been put in place to manage the risks and to mitigate any adverse outcomes.

### Objectives and activities

The governing scheme defines the charity's objects as being to:

The relief of need of those experiencing or at risk of poor mental health by providing a range of musical community outreach programmes to educate, enhance, train and improve lives of participants.

### Achievements and Performance

The CIO was dormant during this period.

### Financial review

No transaction took place during this period.

### Future plans

Apollo has undertaken significant research during this period to inform our offering. In addition, Apollo has made significant partnerships and collaborations and have secure future plans for a number of projects. Trustees have decided to focus attention in the initial period on the support of young people with or at risk of poor mental health as there is particularly severe increase in suffering and distress in this age group and 75% of young people are not getting the help that they need. As a result, we have formed partnerships with Birmingham Women's and Children's NHS Trust to provide music in hospitals and with Royal Birmingham Conservatoire to provide training and performance opportunities.

### Trustees' responsibilities statement

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements

- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
