Section B Structure, governance and management

Description of the charity's trusts

Type of governing document
(eg. trust deed, constitution)

Constitution

How the charity is constituted
(eg. trust, association, company)

Charitable Incorporated Organisation

Trustee selection methods
(eg. appointed by, elected by)

Election at the AGM and co-option of individuals at trustee meetings.

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

We continue to be concerned about maintaining a management committee. The average age of trustees continues to be well above pension age and continuity of tenure is problematic. We have found it difficult to recruit new members to replace those trustees who wish to retire.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

1. To provide facilities for recreation and leisure activities and to advance the education and social welfare, of the inhabitants of the wards of Holgate and Acomb in particular and of York residents generally.
2. To maintain and manage the Poppleton Road Memorial Hall in furtherance of the Objects

All activities were undertaken under the aegis of Charity no. 701225

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Trustees ensure that when making any decision they comply with the objectives of the charity according to the Guidance of the Charity Commission regarding Public Benefit.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

During this year the Trustees continued to progress the transition of the charity into a Charitable Incorporated Organisation and now await only the transfer of assets from the old to the new to protect our trustees from any financial liability.

Section E Financial review

Brief statement of the charity's policy on reserves

All activities were undertaken under the aegis of Charity no. 701225

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
