## **Structure, Governance and Management**

The governing document is the Parochial Church Council Powers Measure (1956) as amended and Church Representation Rules.

The method of appointment of Parochial Church Council (PCC) members is set out in the Church Representation Rules. All Church attendees are encouraged to register on the Electoral Roll and stand for election to the PCC.

The parish is managed by the PCC, which meets regularly to discuss and transact business of the Parish.

Following the unification of the parishes of St George's Beckenham and St Barnabas (Beckenham) one PCC has been appointed to manage the affairs of both charities.

The PCC operates through a number of committees which have responsibility for the various activities of the Parish, and which report back to the PCC with recommendations for approval by the PCC.

The key committees which report to the PCC are as follows:

- Standing Committee: this is the only committee required by law. It has the power to transact the business of the PCC between meetings, subject to any directions given by the Council. It oversees the general financial and administrative issues which face the parish by monitoring the income and expenditure of the parish, and by budgeting.
- Risk Management Committee: this was formed part way through 2017 and it is designed to manage the risks relating to people using the church premises.
- Finance Committee: This was created to oversee the Financial Management of the Benefice of St George and St Barnabas and to report to the Standing Committee and/or PCC on matters affecting the financial health of the Benefice.
- "Arts at St George's" Committee: This oversees the organisation and administration of the events under the banner of "Arts at St George's" which includes St George's Festival for Beckenham (formerly the Arts Festival).
- Hall Review Committee: This was created in September 2019 oversees all matters relating the Church Halls in the Benefice.
- The Fabric Committee: This committee monitors, plans and deals with building maintenance across the benefice.
- Building Committee – created in 2021 to work on proposals to develop the church building particularly improve toilet facilities, storage and additional meeting room space.
- Contested Heritage Committee – to address the issues of contested heritage within our church and wider issues of under-representation and using the Church of England guidance seek ways to redress imbalances

## **Rector's Report**

This Report summarises our work in prayer, worship, mission, outreach and evangelism for the year ending December 2022. In the past year the Church has continued to work with the congregation and the community in all aspects of church life and operation.

Following the release from Covid -19 Lockdown in 2020 St George's Church has been open for public worship from 28 March 2021 (Palm Sunday). During lockdown we continued with our worship online and the church was open whenever we were able to host Face to face service. I am grateful to staff and volunteers who worked tirelessly to ensure that the church was safe and accessible whilst remaining a place of welcome and inclusion for all people. St Georges and St Barnabas churches was open for Holy Week and a joyful and uplifting Easter Day.

Our contact with members of the church via regular online, postal and phone contact, throughout this year has continued. Junior Church, led by June Mackenzie, has been running throughout the year offering online activity, home-learning and face to face meetings on most Sundays. The work has been creative and flexible, and I am very grateful to June Mackenzie and all Junior Church helpers.

In St George's Church we held two marriage services, 11 baptisms and officiated at 19 funerals. It was a great pleasure to work with and welcome the local schools for their Harvest, Remembrance and Christmas services. At St George's we also successfully expanded our support for KS1 and KS2 education provision for a number of local schools. We hosted the Act of Remembrance at the Beckenham War Memorial, and it was encouraging to see the return of the schools, uniformed groups and the general public.

During the year we celebrated the Queen's Platinum Jubilee with a tea party inside and outside the church. We held a special Thanksgiving Service for Russell Mellor as he completed his term of office as Mayor of Bromley, The Arts Festival returned with a full and well attended programme. On a more sombre note, we responded immediately to the death of Queen Elizabeth II and supported the community with a Book of Condolence, special opening hours for prayer. The flag flew at half-mast and the bells were rung half muffled. We also celebrated the announcement of King Charles III.

We returned to full strength with our Christmas services: the Christingle Service being particularly well attended. During the year, we again offered study courses during Lent and Advent with online and face to face options.

St Barnabas Church has continued to provide Sunday and weekday services and a number of social events for their congregation. St Peter's Hall is well used by a local preschool, dance classes and other community events, supported by a core group of volunteers who have my continued gratitude.

I am grateful to all who have been involved in the preparation of and taking part in our worship through the year: Clergy and Ministers, servers, readers, intercessors, sides people and the flower-team. My thanks also to James Hardy and the bell ringers at St George's Church who begin our worship each week in calling our community to prayer.

The St George's choir ably led by Charlie Warren- Director of Music, assisted by Nick Startup, Jon Mills, Dave Bullen and Ian and Janey Maxwell. They have provided beautiful music for our worship including a return to Choral Evensong twice a month. My gratitude to them all for their continued collaboration and encouragement.

In September 2022 we welcomed Bishop Jonathan Gibbs as our new Bishop of Rochester Diocese.

I am extremely grateful to Churchwardens, Nigel Sykes, Sarah Philipps and Bob Norfolk-Thompson, our Parish Safeguarding Officer Roger Capon, Treasurer, Jeremy Byers and Accountant Paul Turner, members of the PCC, members of Standing Committee and Finance Committee, all staff members and our army of wonderful volunteers, who have worked tirelessly throughout the year to support our mission to the community.

## **PCC Secretary's Report**

The PCC has met four times since May 2022 APCM. Our thanks go to the PCC members for their continued commitment to the Benefice. The PCC discussed items ranging from Contested Heritage, The Arts at St George's, Ministry to Children and Young People and the general recovery of the life of the church following the Pandemic.

The PCC has also established a Building Development Committee to provide additional accommodation and toilets for St George's Church.

**Ministry to Children and Young People** (St George's Church) – We are grateful to June Mackenzie, the Leaders and Helpers for their continued ministry to our young people in the past year. June has continued to provide online resources to families as well as having Junior Church meetings in church, the children presenting to the congregation what they have learnt. We have run Communion before Confirmation and Confirmation preparation classes during the year.

**Pastoral Ministry** - The work of the Pastoral Team is largely unseen, but it supports many church members and responds to various requests from the community or visitors to the church. The St George's Pastoral Team is led and co-ordinated by June Mackenzie and Joan Conway. At St Barnabas Church the pastoral support is provided by Angela Susilovic, Bob Norfolk Thompson, Jeff Bull, Katie Brabston and Dorothy Davey. St George's Church has seen an increased need from those in the community who needed a quiet place to pray or reflect. Staff members have assisted those in need. Regular visits have continued with the Nursing Homes in the benefice and Schools have returned to the church for services, music events and history tours for Key Stage 1 and Key Stage 2.

**Communication** – St George's Church has continued to use social media in the last year through our church website, Twitter, Facebook and Instagram. We are very grateful to Lizzie Hardy and David Yiu who have provided so much support and guidance in the development of our posters and social media messages. The communication at St Barnabas church is led by Fr Tim Hide.

**Choir and Music Provision** including our weekend recitals – Our thanks to Charlie Warren Organist and Director of Music, Jon Mills organist, Ian Maxwell organist and choir member, Nick Startup Choir Librarian and the choir members who provide St George's congregation with beautiful music throughout the year. Charlie Warren, Peter Jones and the Friday and Saturday recital teams provide an invaluable contribution to the music in the community, they provide a warm welcome and free concerts throughout the year. Our thanks also go to the professional musicians who provide their time and talents for the benefit of Beckenham Community.

**The Flower Team** – The return of the Easter and Harvest Flower Festivals in 2022 was a delight for St George's church and Beckenham community and this continued with the Christmas decorations including handmade wooden Christmas trees in the church windows. The Flower team enhance our worship and provide an opportunity for outreach by inviting the community to visit the church and enjoy the flower displays. Our thanks to Sue Berry who provides the weekly flowers for St Barnabas Church and to Angela and Dorothy for festival flowers and decorations.

**Refreshments Team** – The return of the post service refreshments has been a turning point in the community life of the congregation: an opportunity to chat, meet, make friends and welcome newcomers. We would like to thank the team at St Georges and at St Barnabas for providing the sustenance that gets conversations going and provides a welcome for the congregation and visitors

**Friends of the Churchyard:** Have returned at St George's, meeting once a month to keep the churchyard in good order. Their efforts are vital for our EcoChurch commitment and for community enjoyment. We are very grateful for all they do.

**Volunteers:** St George's and St Barnabas benefit from the efforts of our many volunteers who help with washing, cleaning, recycling, gardening and other necessary tasks. Their work goes largely unseen but without them things would not run so smoothly.

**Learning and Growing in Faith** – The Lent and Advent study groups met in St Georges church, and we have also maintained a Zoom Learning Groups in both churches. Joan Conway has provided regular reflections for the Home Worship group, and these are also posted on St George's website to share with the congregation and visitors.

**Work of the PCC** - During the course of the 2022 much of the business of the PCC has focussed on ongoing matters relating to the benefice and the generation of a single United Benefice Charity and united finances. We are grateful to our Churchwardens Sarah Phillips, Nigel Sykes and Bob Norfolk Thompson, to Jeremy Byers, the Treasurer, Paul Turner, Angela Susilovic and Roger Capon, Safeguarding Officers, Nick Startup, the Planned Giving secretary, Ken Maliphant and Richard Fielder for their Financial and Insurance Reviews, James Hardy for the ongoing work on the Fabric, Lizzie Hardy and David Yiu for their social media support and content, the Pastoral Teams, the Refreshments Team and the Flower Teams and to members of the PCC for their commitment and dedication in serving the benefice.

**Work of our committees** - Special thanks are due for the detailed work of the Finance Committee in reviewing the church finances and finding ways to make our resources work for us in the current climate. We are also grateful to Chris Porter in dealing with the long-running St Bride's project, and to Jeremy Byers, Paul Turner and Angela Susilovic for their work with the church finances. The new Building Development Committee has been established to develop a scheme for the provision of additional facilities on the North side of St George's Church.

We continue working together with our sisters and brothers in serving God and community in the Benefice of St George and St Barnabas.

### **Financial Review**

The financial statements presented with this report reflect the incoming resources and expenditure incurred for The Parochial Church Council of the Ecclesiastical Parish of St George and St Barnabas Beckenham (Charity No 1197407). This is a new charity which was formed from the merger of two separate charities the Ecclesiastical Parish of St George's Beckenham (Charity No 1129429) and the Ecclesiastical Parish of St Barnabas Beckenham (Charity no 1169952).

The merger was effective from 1<sup>st</sup> January 2022 so the results for the year ended 31<sup>st</sup> December 2022 show the results for the newly formed charity. The results show the charity had total incoming resources for the last financial year of £354,006 and total resources expended of £348,580, leaving a net surplus of income over expenditure of £5,426.

The comparative figures shown in the financial statements (the results for 2021) represent the combination of the results for the two separate charities merged at 1<sup>st</sup> January 2022 and which were reported separate financial statements.

Total income has increased from £256,313 to £354,006, but as ever these headline results do hide some underlying issues.

Overall donations, particularly planned giving levels have dropped, which may be a reaction to Covid lockdowns but also reflects an identified ongoing issue of with an ageing demographic within the church's planned giving scheme.

The charity benefited from the financial support of Church Fields Charity totalling £16,898 in which funded St George's church maintenance costs and as St George's Church is a listed building we were also able to recover some Value Added Tax for work undertaken on the structure totalling £2,548.

Investment income increased year on year with a general opening up of the world economy resulting in dividend distributions increasing.

The major increase income came through income derived from church activities, recital income, church and hall letting income increased and a large post Covid Arts at St George's program resulted in total income from church activities rising from £82,843 to £196,922. The Arts at St George's program may not be repeated in future financial periods (the program was a very definite return after Covid series of events) but hopefully letting income and recital collections will continue at these higher levels.

Turning to expenditure, the overall level of expenditure increased from £248,625 to £348,580 – the majority of this increase represented increased costs of the Arts at St George's program of events which increased from £900 to £87,494 which reflected the enhanced post of the post Covid arts program.

In addition, the charity incurred development project fees of £13,398 as part of the ongoing church development project to improve the facilities at St George's church – currently aimed at adding a small church hall with additional toilet facilities and making some changes within the body of the church to allow a better "Welcome".

Remaining cost centres varied depending upon usage and requirement with some cost areas increasing whilst other areas of cost were reduced year on year.

Overall, the net financial result is a pleasing one, but with ongoing inflationary pressures in the economy it is not difficult to see that results in future years will reflect increased overall expenditure (the charity has been insulated from large utility costs having been on long term fixed price agreements which come to an end in 2023 and 2024) whilst the ability to increase income may be limited as donors will also feel the inflationary increases in their own domestic budgets limiting the potential for voluntary income to increase.

**Investment Review**

The charity has two major groups of investment assets.

Property assets in the form of two church halls included in these financial statements at a valuation of £1,708,265. The two church halls provide a range of meeting room facilities, for a variety of parish and community organisations. It is the policy of the PCC to maintain this facility in good order to ensure that it continues to provide high quality facilities and generates income to finance the maintenance of the property. As noted, rental income from these properties has increased as the world has opened up after Covid lockdowns, and the PCC has undertaken a review of rental rates to ensure that these assets continue to generate income commensurate with the quality of the facility.

The remaining asset portfolio is invested with the Diocese and the Central Board of Finance in a range of investments designed to generate income and capital growth. The rebalancing of the portfolio held in accumulation investments to investments that distribute dividends have assisted the parish with its cashflow and allow it to meet, in part, the increasing costs of the charity.

**Reserves Policy**

It is the policy of the PCC to maintain sufficient unrestricted funds supported by current assets to equate to three to six months unrestricted expenditure.

Unrestricted reserves were £2,611,084 at 31st December 2022. Of these reserves £921,257 (which includes St Peter’s Hall at £587,182) have been designated for specific purposes and £1,708,265 represents the value of the church halls, leaving a balance of other reserves of £568,744.

These levels of reserves are sufficient to meet this requirement and sufficient to support the work of the church at current levels of expenditure for nearly two years, however it is anticipated that these reserves will be depleted materially should the church development program go ahead as planned.

**Going Concern**

The Trustees consider that there are no material uncertainties regarding this charity's ability to continue as a going concern. Lockdown measures arising from the COVID 19 pandemic reduced income streams, but with the reopening of the UK economy, income streams are increasing although donation income streams reported have reduced in the year. Despite this the Trustees believe that the charity has sufficient liquidity in its net assets of £1.85m to ensure that the charity can meet its obligations in the next 12 months and beyond. The Trustees continue to work improve the charities financial position and aim to achieve a financially sustainable position.

**11 POST BALANCE SHEET EVENTS**

During the year ended 31st December 2014 the PCC completed negotiations relating to a lease on a property in Beckenham High Street. The lease was signed early in 2015 for a lease premium of £235,000 and funds were transferred to the Rochester Diocesan Board of Finance for safekeeping. Correspondence took place with the diocese throughout 2015 and 2016 as to how the funds are to be applied. During the year ended 31st December 2017 a scheme of arrangement has been ratified by the Charity Commission.

The Parish has continued to pursue the matter of the release of the funds with the Charity Commission. In 2019 the Rochester Diocesan Board of Finance agreed to provide a grant of £122,000 to the parish and this is shown in the Statement of Financial Activity and as a designated fund. Initial discussions suggest that these funds will be utilised to improve Toilet Facilities within the church. The Parish received the "grant" on a basis which would not prejudice its claim for the balance of funds arising on the lease renewal. The matter is ongoing.

### **Responsibilities and basis of report**

The charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the 2011 Act").

I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act).

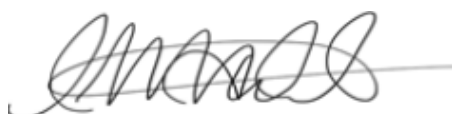

### **Independent examiner's statement**

The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of Institute of Chartered Accountants in England & Wales (ICAEW).

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in accordance with section 130 of the 2011 Act ; or
- the financial statements do not accord with such records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) regulations 2008 other than the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
