

## Trustees' Annual Report for the period

From April 2023 To 30 March 2024

Charity name: YAHJIREH FOUNDATION

Charity registration number:1197408

## Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>Support for Vulnerable Populations in Rural Côte d'Ivoire</p> <p>To relieve poverty and improve the living conditions of poor and vulnerable populations in rural areas of Côte d'Ivoire by:</p> <p>Providing essential items such as food and clothing;</p> <p>Facilitating access to education for children and young adults;</p> <p>Implementing basic health support initiatives, including medical outreach, consultations, and health education, to improve general well-being and reduce preventable illnesses.</p> <p>Promotion of Social Inclusion for Refugees and Asylum Seekers in the UK</p> <p>To promote social inclusion for the public benefit among refugees and asylum seekers residing in Kettering and the surrounding areas in Northamptonshire, who are socially excluded due to their social and economic circumstances, by:</p> <p>Providing interpretation, translation, and form-filling services to help them navigate essential systems (e.g. healthcare, housing, and employment);</p> <p>Supporting their integration through the provision of basic necessities, such as clothing and food;</p> <p>Helping them adapt to life in a new community with dignity and support</p> <p>.</p>

<p>Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.</p>	<p>Para 1.17 and 1.19</p>	<p>Activities in Relation to the First Purpose – Health Care Support in Rural Ivory Coast</p> <p>In line with the Yahjireh Foundation’s first charitable objective — to provide education and healthcare assistance to vulnerable people in rural areas of the Ivory Coast — the following key activity was undertaken during the reporting period:</p> <p>In March 2024, the Foundation successfully organised a medical outreach campaign for two days in the village of Grand Yapo, located in the Agboville region of the Ivory Coast.</p> <p>The campaign provided free medical consultations and essential medication to approximately 401 individuals from the local community, many of whom have limited or no access to regular healthcare services.</p> <p>The most commonly identified and treated conditions included malaria and lower back pain— reflecting the prevalent health challenges faced by rural populations in the region.</p> <p>This initiative not only provided immediate relief to those treated but also raised health awareness within the community and reinforced the Foundation’s commitment to improving healthcare access in underserved areas.</p>
<p>Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit</p>	<p>Para 1.18</p>	<p>The trustees confirm that they have had due regard to the guidance issued by the Charity Commission on public benefit when exercising their duties and making decisions throughout the year.</p> <p>In planning and delivering the Yahjireh Foundation’s activities, the trustees have ensured that the charity’s aims and objectives are carried out for the public benefit. All programs and services — including educational support, medical outreach, and refugee integration — are designed to benefit individuals in need, without restriction by gender, ethnicity, or background, and with a clear focus on advancing education, health, and social inclusion in both the Ivory Coast and the UK.</p> <p>The trustees are satisfied that the charity’s activities during the year have directly contributed to its charitable purposes and delivered meaningful and measurable benefits to its target communities.</p>
