

Annual Report and Return 2022 Anima Una 1197426.

The CIO was inaugurated on 11th January 2022.

We were using the Chapter House of Merton Priory on a licence from Merton Council with nil rent. However, because of the kitchen and toilets had still not been connected to the drains, the operation of Anima Una was limited.

In this first year we held an Easter and Summer drama school each for a few days and about 18 children participated during the year – 3 at easter and 15 for a week in summer.

All the fee income was paid to our excellent trained drama teacher.
