**Summary of the main achievements of the charity during the year**

In the reporting period from 1<sup>st</sup> September 2023 – 31<sup>st</sup> August 2024, we had 14 clients. These came to us through our website, via their GP or other signposting organisations.

- 7 clients were looking for support in unexpected pregnancy
- 3 clients were looking for counselling following abortion
- 2 clients were looking for counselling following miscarriage
- 2 clients had other pregnancy related needs (e.g. complex pregnancy)

All were contacted/spoken to on the phone and 10 went on to have appointments with our volunteer advisors.

Our clients were given time and space to process their situation, and were offered non-directive, non-judgemental support in their moment of need.

Our Step-by-Step ten week programme was provided to one of our post-abortion clients.

Local GPs are regularly informing pregnant women of our service. We signpost clients to other services including: community groups, NHS services, abortion providers and specialist charities. Practical support is available should our clients need/request it.
