Financial review

During the year the charity did not undertake any trading activities and is awaiting the opening of its bank account before commencing activity. As a result, there has been no material financial activity to report for the period. Despite this, the trustees are confident that once the bank account is in place, the charity will be well positioned to meet its stated objectives of relieving financial hardship in Greater Manchester and the surrounding area.

As the charity has not yet commenced trading, it currently holds no reserves. The trustees intend to establish a reserves policy once income is received

The trustees' annual report was approved on 30 September 2024 and signed on behalf of the board of trustees by:
