Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	During the year, the charity strengthened its impact on vulnerable individuals by directly providing food, temporary shelter, and basic welfare support to homeless people. This assistance helped stabilise the immediate living conditions of beneficiaries and offered a consistent point of support for individuals experiencing acute hardship. The charity also advanced its community-support work through collaboration with the Vascroft Foundation, enabling a broader reach of welfare initiatives for disadvantaged groups. This partnership amplified the charity's capacity to address poverty, social exclusion, and unmet basic needs. Internationally, the charity continued its work with local partners in India on the development of hospital facilities. Progress made during the year contributed to laying the foundation for long-term improvements in healthcare access for underserved communities, creating wider social benefits that will continue to grow as the project advances. Together, these achievements reflect the charity's ongoing commitment to reducing hardship, strengthening community welfare, and delivering both immediate and long-term public benefit.
