

Annual Report- accounts to the Charity Commission

Charity name: INTERYem

Charity Commission no.1197542

As a charity we have spent most of financial year setting up processes and procedures and opening a bank account .

No monies have yet been awarded through grants and we have not received any donations to date.

We have therefore not expended any money on our proposed activities.

We have opened a bank account with CAF bank which has only been used for basic administration transactions to date i.e monthly account fees amounting to £5.00/pcm.

In view of the above there are no material accounts to submit for 2023-24 return.
