

Annual Report- accounts to the Charity Commission 1st April 2023-31st March 2024

Charity name: INTERYem

Charity Commission no.1197542

As a charity we have spent most of financial year setting up processes and procedures and opening a bank account .

We successfully managed to open our bank account with CAF bank in July 2023

No monies have yet been awarded through grants and we have not received any donations to date.

INTERYem has clearly identified objectives of working in education, training and research for clinicians in Yemen

Work has been undertaken to apply for a grant award from the UK charity THET (Tropical Health Education Trust). The outcome of the application will be reported in our 2024-2025 report.

We have therefore not expended any money on our proposed activities.

We have opened a bank account with CAF bank which has only been used for basic administration transactions to date i.e monthly account fees amounting to £5.00/pcm.

In view of the above there are no material accounts to submit for 2023-24 return.
