EpiConsultAfrica, is a non-profit organization that aims to improve the quality of research conducted in the field of Biomedical Sciences at higher education and research institutions in Africa. EpiConsultAfrica plans to accomplish this goal through mentoring the young generation of research scientists in research study design, data analysis and quality scientific writing. The targeted disciplines include human medicine, veterinary medicine, public health, nursing, pharmacy, dentistry, and other relevant discipline in the field of Biomedical Sciences.

For the period, 2022- July 31, 2023, no activities were conducted, no income or debts were accrued during that period, and no funds are held by the custodian trustee.

Thank you,
Abel Ekiri
